How To Apply To The Practical Nursing Program
(For Continued Enrollment)

1. Submit an application to the college or readmit if it has been two major semesters or longer since you last attended Daytona State College.

2. Have official transcripts (high school, GED, college) sent to Daytona State College Admissions Office.

3. Apply to Financial Aid if desired.

4. All new and readmitted students will be required to complete the College Orientation.

5. Take the TABE placement test unless you meet the criteria for exemption or have credit for College Composition (ENC1101) & Intermediate Algebra (MAT1033) with a grade of “C” or better or appropriate scores on current PERT, SAT’s or ACT’s (scores valid for 2 years from test date). Applicants who started high school in the 9th grade in 2003 or after at a Florida public high school AND graduated from a Florida public high school with a standard high school diploma or active duty military are not required to take the placement test. If you have any questions about your exemption status, please contact an academic advisor.

6. Meet with an academic advisor in the Academic Advising Office to interpret TABE results.

7. Obtain an Assessment Services Test Fees form for the TEAS (Test of Essential Academic Skills) from the Assessment Services office or an advisor. Pay the fee to the college cashier. Complete the TEAS at the Assessment Office on any campus. Please contact Assessment Services for the testing schedule on each campus.

8. **During the application period of May only**, bring to the Academic Advising Office a completed Nursing Application form and copy of unofficial transcript(s). The advisor will check that you have passing TABE scores. TEAS version 4 results must meet the minimum requirements of 60% in both reading comprehension and mathematics, and an adjusted individual total score (AITS) at the 65th percentile or better. TEAS version 5 results must meet the minimum requirements of 69% in reading comprehension and 63% in mathematics, and an adjusted individual total score (AITS) at the 59th percentile or better. TEAS scores are valid for three (3) years from test date. Overall grade point average must be at least 2.00.

9. The Academic Advising Office will complete the checklist and assemble the materials into a packet for you. On the Daytona campus students will be referred to Melissa Brown, Building 320, Room 549 to submit the application.

10. Decision letters will be sent approximately six weeks following the application period. Applicants not accepted will receive a declination letter and may apply during the next application period.
