### Our Program

The Learn To Swim program is an American Red Cross program designed to teach all ages to swim and be safe around aquatic environments.

All of our instructors are certified American Red Cross Water Safety Instructors.

The program is broken into seven levels, starting with water adjustment skills, and advances to competitive stroke perfection. Water safety is stressed and taught to all students.

Classes are filled on a first-come first-serve basis.

You must register in-person at the Aquatic Center.

Payment is required at registration. Cash, checks, and credit cards are accepted. Driver's License Number is required on all checks.

No refunds will be given on or after the first day the lesson begins. Swim lessons require a specific instructor/student ratio.

Withdrawal for refund must be made no less than 3 business days prior to the first day of the lessons. A \$10 refund fee will be charged.

\*Parent/adult accompaniment in the water is required. All children age 3 and under must wear a swim diaper.

Water temperature may vary.

The Aquatic Center is located in the Lemerand Center (bldg. 310) on the Daytona Beach Campus, 1200 W. international Speedway Blvd. For more information, call (386) 506-4386.
