BOARD RETREAT

8:00-10:00am Assumptions:
1. Prepare our facilities to meet the requirements of a 21st century college
2. Determine a reasonable “maximum” capacity of all sites
3. Enrollment growth stabilizes
4. Limited funding
5. Focus on oldest/least efficient buildings
6. Follow good campus design guidelines

Discussion Points:
1. What does the 21st century campus look like?
2. Review capacities and usage of all sites
3. Enrollment
4. Discussion of funding
5. Residential housing
6. Review and discussion of Master Site Plan

10:00-10:15am Break

10:15-12:00pm Continuation of previous discussions

Outcomes:
1. Board involvement in long-range planning
2. Direction on residential housing
3. Prioritization of 2014/2015 projects
