Discussion by Marty Goldys, CEA Vice President:

- We are not currently presenting to other campuses. We are exploring the option of using Elluminate for remote/virtual meetings.
- CEA members are encouraged to attend current events. It is great for the college community to see the CEA as representatives of DSC.
- The American Heart Association Heart Walk is September 25th starting at 5 p.m. at the Daytona Beach Bandshell. Please consider a minimal donation towards the American Heart Association. [Click here](#) for more information on donating. There was a question concerning the distribution of shirts this year with no answer.
- The Lee National Denim Day/Wear Jeans on Friday is October 2nd and is being sponsored by the DSC FACC Chapter. For a \$5 donation, you can wear your jeans and pink ribbon pins to work on Friday, October 2nd. The \$5 donation will go to the Entertainment Industry Foundation Initiatives for Women's Cancer Programs. Please ask your supervisor's approval. See attachment included for more information.
- Barktoberfest is Saturday, October 24, 2009 benefiting the Halifax Humane Society. The event is 10 a.m. – 2 p.m. at the Halifax Humane Society (2364 LPGA Blvd., Daytona Beach). The entry fee is \$3 and pets are welcome. Bring a can of pet food for your entry into a drawing for great prizes. For more information [click here](#) or call 386-274-4703 ext. 322.
- Health Risk Appraisal (HRA) – You will no longer have to use \$175 of your \$250 per plan year Well Care benefit to pay for your HRA. The Healthcare Purchasing Alliance will pay the entire cost for you, your covered spouse, and your covered dependents age 19 and over. Please see attached flyer for more details.

Discussion by Tom Moore, CEA President:

- Attending the DSC Board Meetings are worth it! A great opportunity to see how the college works.
- At the September 17th Meeting it was announced that no raises will be given this year due to the fear of state withholdings. Representatives from Bethune Cookman were present and requested that our DSC Nursing Plan be shelved or combined with theirs. After all was said and done, our Nursing Program (4-year) is still on the table awaiting approval in Tallahassee.
- In closing, it was suggested that we could have a social lunch. Some other suggestions included a cookie bake-off (Foundation's was very successful), bake sale, chili cook-off (in different venue).

- The CEA needs help...everywhere. If you have ideas, run with them. If you have a little spare time, attend a meeting or volunteer for a CEA event.
