Discussion by Marty Goldys, CEA Vice President:

- First Annual Pizza Social – Thank you for the participating, it was a great success. There were 42 CEA members in attendance and dues were collected. An invite was extended to our satellite campuses. A big thank you to Diane Higlin for collecting the door prizes given out during the raffle.
- CEA members are encouraged to attend current events. It is great for the college community to see the CEA as representatives of DSC. In addition, with numbers, CEA has power!
- The Planning Council is still looking for CEA representatives to serve on committees. If you are interested, please contact Marty or Tom.
- The American Heart Association National Wear Red Day is Friday, February 5, 2010. Inspire friends, family and coworkers to wear red and speak up about heart disease.
- Walking at Work Day – April 8, 2010. More information to come.
- PowerPoint According to Zen / December 1, 2009 / 1:00 – 3:00 p.m.: Are you currently making slide presentations that leave you wanting something more? We challenge you to think differently and more creatively about the preparation, design, and delivery of your presentations. By combining principles of design with the tenets of Zen simplicity, it will help you along the path to simpler, more effective presentations that will impress and connect with your audience.
- The Employee Benefits Department is offering several workshops (refreshments provided!!). We understand they do conflict with lunch time and our availability to attend can be quite confusing. Just be sure to have approval by your supervisor before attending.

For those CEA members utilizing the DSC health insurance, the Health Risk Assessment (HRA) and Lab Work are now provided several more times over the course of the year other than the Benefits Fair. If you have problems with the HRA, please report them to Benefits immediately. The dates are as follows:

- January 5-22, 2010
- April 1 – 16, 2010
- April 19, 2010 (Annual Benefits Fair)
- We are still hoping to use Elluminate for future meetings to include all DSC campuses. By using Elluminate CEA members will be able to attend meetings at their work stations by watching the moderator on their screen, using the chat feature to interact, plus so much more. Look for more information to come.

Discussion by Tom Moore, CEA President:

- CEA would like to see 100% participation in the United Way. Even if it is just 1 dollar from every paycheck, it makes a difference in our community.
- Meetings will continue to be held the last Tuesday of every month.
- Dr. Sharples would like to give raises, but cannot at this time due to talk about budget cuts by the state.
