This appeal is for completion of program __________________________________________

Please note the following:

- Financial aid suspension is a serious situation that warrants careful examination of the causes and a plan of action. Each section on the reverse must be answered thoroughly. Attach additional documentation, and all appeals must be submitted through this form. Incomplete sections will cause your request to be dismissed without consideration.
- You have been placed on Financial Aid Suspension for exceeding 150% of your program length. In order to maintain satisfactory academic progress for financial aid purposes, students must complete all degree requirements within 150% of the normal length of the program (including transfer credits), or when it is determined that completion cannot be met within this time frame.
- If your appeal is approved, a graduation check down/Excessive Hours Academic Plan indicating the specific courses/credits required to complete your degree or certificate program will be emailed to your Daytona State email address. Your SAP status will not be updated until the signed Excessive Hours Academic Plan is submitted to the Financial Aid Services Office.
- This is a one-time appeal for this degree program or certificate. If you change your major/degree prior to completion of this degree or certificate program or take courses not required for the major/degree specified on the plan, a second appeal will not be considered, and you will be suspended from receiving financial aid in the future. If your appeal is approved, you must successfully complete 100% of the credits you attempt each term, and earn at least a 2.0 term GPA (2.5 for BS in Education).
- Any credits attempted for coursework not included on your Academic Plan will not be included in your enrollment status for financial aid and will reduce your approved credit hours allowed. You will not be eligible for additional hours other than those indicated on the Academic Plan. Once you exceed the number of approved credit hours, you will no longer be eligible for financial aid.
- The decision of the Appeals Committee is Final.

IMPORTANT INFORMATION REGARDING YOUR FEE STATEMENT:

- If you had financial aid deferring the payment of your tuition and fees at the time your suspension was posted, your tuition and fees will continue to be deferred until a decision is made on your appeal, if the appeal is submitted by the deadline.
- If you did not have a financial aid award at the time your suspension was posted, you will either need to pay your charges or apply for a Falcon Loan. (See the Student Accounts Office for more information.)
- If your appeal is denied and you have unpaid tuition, fees and/or a book loan/voucher, you are responsible for the payment.
