Satisfactory Academic Progress quantitative measures being appealed. (GPA under 2.0 and/or completion rate under 67%)

In order to maintain satisfactory academic progress for financial aid purposes, students must meet all the following requirements (these may be different from the college’s academic policies):

- A student must maintain a cumulative grade point average (cum GPA) of at least a 2.0 for courses taken at Daytona State College. (For financial aid purposes the cumulative GPA does not include transfer credits. The GPA does include remedial coursework).
- A student must earn 67% of all attempted credits.
- A student who has been placed on financial aid probation must complete 100% of the course work they attempt while on probation and must earn at least a 2.0 grade point average for each term while on probation. Any course you withdraw from or fail will violate the probation and you will be placed on financial aid suspension for the subsequent term.

Please complete the section below and attach supporting documentation. Failure to complete the section below and submit supporting documentation will result in an automatic denial.
