Please complete this form explaining how you were able to provide housing, food, utilities, clothing, etc. for your family in 2010. We must consider the amount of support received from parents, relatives or friends during 2010 which may or may not affect the amount of financial aid you receive.

**This form will be returned to you if incomplete. YOUR FINANCIAL AID APPLICATION WILL NOT BE PROCESSED WITHOUT IT.**

- 1. EXPENSES:** List your expenses and total expenditures from January 1, 2010-December 31, 2010. This information should include the annual amounts spent to provide for your family even if the expenses were paid by someone else (for example, you are staying with a friend in a residence that cost \$600.00 per month . The amount paid on your behalf would be \$300 per month=\$3600 for the year) **Note: Not listing an amount paid for living expenses may affect the student's cost of attendance and may reduce the student's eligibility for financial assistance.**
