Indulge in the food

Indulge in the service

Indulge in the peace of mind

Welcome to **Indulge**, the Daytona State College catering services. We are pleased to present to you our catering guide. For your convenience, we put together a selection of frequently requested and popular menu items. Please realize that these menu items are just a sampling of what we offer. We will be more than happy to custom develop an event menu specifically designed to meet your needs.

Whether your plans call for a small reception or a gourmet dinner, our Dining Services Director and our Catering Coordinator will work with you every step of the way.

The following information should help answer most of your questions. However, if you have any additional questions or desire menu consultations, please do not hesitate to call your Catering Coordinator.

Room Reservations

We work regularly with facilities on campus. We are equipped to handle events of any size. Indulge, the Daytona State College catering services provider is not responsible for room reservations or room and table set-up.

Planning and Booking

In order to ensure your event is perfect, please book your event at least (21) working days prior to the day of the event. This allows us to make sure we are able to provide appropriate staffing, order linen and provide the highest quality product.

Events scheduled less than 3 business days in advance may be charged a 25% late booking fee. Please let us know your final number of guests at least 3 business days prior to the event. You should also notify your coordinator to ensure proper room arrangement. If the final count is not received, we will consider the number indicated on the original order as the guarantee.

Payment

Events must have a DSC Purchase Order number or 75% deposit due at confirmation of menu. Remaining balance is due on the day of event. Services may be paid with cash, check or credit card (Visa or MasterCard).

Late arrivals or Cancellations

In the event your group will be arriving later than scheduled, please notify the Daytona State College Catering Coordinator and Catering Director as soon as possible. All cancellations of food service should be made no less than 72 hours prior to your event. Cancellations made less than 3 business days prior to the event will be charged for any incurred cost. Cancellations made within twenty-four hours will be charged in full.

Delivery

Minimum of \$40 dollars for any delivered service off campus. Additional charges may be incurred depending on event size.

Service

Indulge will set up and break down your event in a timely manner. If service staff is required for your event, you will be charged \$25.00 an hour with a four-hour minimum. For events less than 15 guests there may be a \$25.00 service fee assessed. Your Catering Director will work with you on recommending how many service staff your event would require. Events requiring China service will be assessed a \$2.25 fee per person.

As a standard, we provide tablecloths for food and beverage tables only. Linen for sitting, registration or any additional tables are an additional cost.

Liability

Please note, due to Florida health code regulations concerning proper storage temperatures of food and beverage they may not be removed from the premises following a catering event.
