

DAYTONA STATE COLLEGE

1200 International Speedway Blvd., Daytona Beach, FL 32114 (386) 506-3000

How To Apply To The Associate Degree Nursing Program

- (1) Submit an application to the college or readmit if it has been two major semesters or longer since you last attended Daytona State College.
- (2) Have official transcripts (high school, GED, college) sent to Daytona State College Admissions Office.
- (3) Apply to Financial Aid if desired.
- (4) All new and readmitted students will be required to complete the college Orientation. Students can complete the orientation online.
- (5) Take the college placement test (CPT) unless you have credit for College Composition (ENC1101) & Intermediate Algebra (MAT1033) with a "C" or better grade or have current SAT's or ACT's.
- (6) Meet with an advisor to obtain CPT results for English and Math placement.
- (7) Obtain an Assessment Services Test Fees form for the TEAS (Test of Essential Academic Skills) from the Assessment Services office or an advisor. Pay the fee to the college cashier. Complete the TEAS at the Assessment office on any campus. It is available on a walk-in basis in the Daytona, Deltona and DeLand campuses, or by appointment on the New Smyrna Beach and Flagler/Palm Coast campuses.
- (8) During the application periods of May and September, bring to an advisor a completed Nursing Application form, copy of unofficial transcript(s) and/or license if necessary. The advisor will check to make sure that you qualify for both College Composition (ENC1101) and College Algebra (MAC1105) through course work or appropriate placement test scores. TEAS results must meet the minimum requirements of 65% in reading comprehension and mathematics, and an adjusted individual total score (AITS) at the 75th percentile or better. Students who have previously taken the Nurse Entrance Test (NET) may submit an application with NET test scores at the 50th percentile or better in each category (mathematics, reading and overall composite). Applications submitted after January 1, 2012 must include TEAS scores; NET scores will not be accepted after January 1, 2012.
- (9) Applicants must have an overall grade point average of at least 2.50. LPN/ADN and Paramedic/Respiratory/ADN Transition applicants must bring in a photocopy of their current Florida license. Additionally, Paramedic/Respiratory/ADN Transition applicants must show proof of completion of a CNA course or possess CNA licensure.
- (10) An advisor will complete the checklist and assemble the materials into a packet for you. On the Daytona campus students will be referred to Melissa Brown, Bldg. 320, Rm. 549 to submit the application.
- (11) Decision letters will be sent approximately six weeks following the application period. Applicants not accepted will receive a declination letter and a nursing application so they may apply during the next application period.
