Specialized Course:

The student will learn the role of an agency inspector, as it relates to ensuring evidentiary breath test instruments are providing accurate and reliable results.

A written final exam is given and students must pass with a score of 80% or better.

Topics to be covered include: dynamics of breath testing, instrumentation, reference sample device, alcohol reference solutions and dry gas standards, conducting the agency inspection, courtroom testimony, and a written exam.

NOTE:

Students must have a VALID BTO Operator Certificate to attend this course. Contact FDLE ATP Section for more information # 850-410-8600

Instructor: Jerry Riggins

Jerry brings his years of instrument, court room and on- the- street experience to the classroom in a detailed, knowledgeable and professional manner.

An agency completed 15 A Registration Form is required to attend this course. Please visit our web site to obtain the form.

If you are interested in attending this training, please contact the Advanced & Specialized Training Office at telephone number 386- 506-3272. You may send the registration form to Fax 386- 506-3902 or Email the registration form with the agency ASID number to swansojo@DaytonaState.edu
