## **CJSTC Advanced Course**

This course may be used for Salary Incentive or Mandatory Retraining

This 40 hour course provides hands on training and is designed to provide criminal justice officers with limited computer and technology experience, information regarding the benefits of computers and technology when managing the operations of their position.

A written practical exam is given at the end of the course. Three in- class projects are required.

**NOTE: Students must bring a thumb / jump drive and blank CD's to class.**

Topics will include: communications, using computers, observing communication equipment, software, planning, problem solving, report writing and application of Florida Statutes to computer and technology use. Specific programs such as Excel, Word and PowerPoint® and how to use them will be covered.

**SEATING IS LIMITED TO THE FIRST 18 OFFICERS.**

## **Instructor: Cmdr. Chris Wagoner, Sante Fe College**

Chris is a highly sought after instructor and authority on computer applications for criminal justice officers. His professional delivery will be sure to educate and prepare officers when taking this hands-on, interactive course.
