

ATI Remediation Instructions

1. Go to the ATI web site – www.atitesting.com
2. On the left side of the screen, under 'Main Menu', click on 'My Results'. A list of your tests will appear. The ID number for each test is listed to the left of the topic.
3. On the right side of the screen you will see a column titled 'Focused Review'. Click on 'recreate'. A list of the topics you need to review will appear.
4. Click on 'Create Focused Review' in the bottom right corner of the screen.
5. Follow the directions on the screen to view the content.
6. When you have completed the content review, close out this page by clicking on the 'Close' box on the bottom left side of the screen.
7. Under the 'Main Menu', click on 'Take an Assessment'.
8. Enter the assessment ID number. Remember, this appears next to the name of each test on the page where you viewed your test results.
9. Click on 'Begin Assessment'. You will be asked to also enter a password. You may contact the Skills Lab faculty or your course faculty in order to get the password. The Skills Lab faculty will need to know your anticipated date of graduation as well as the ID number for the test in order to provide you with the correct password. When you have achieved 78% or above on practice test A or B, submit to the course faculty before the end of the semester.
