HOME SCHOOL DUAL ENROLLMENT ARTICULATION AGREEMENT

2013-2014 Academic Year

This agreement is made on this ___ day of _______ , _____ between Daytona State College and ________________

______________________
Name of Student

______________________
Address of Student

I. AUTHORITY FOR AND PURPOSE OF THIS AGREEMENT

1) This agreement is entered into pursuant to the authority of Florida Statute 1007.271 (13) (a) 3.

2) The purpose of this agreement is to shorten the time necessary for a student to complete their high school graduation requirements and college degree, broaden the scope of curricular options available to students, and to increase the depth of study available for a particular subject.

II. TERM OF THIS AGREEMENT

This agreement shall be effective from the date listed above until June 30, 2014. This agreement will be revised annually as required by Florida Statute. A current and valid articulation agreement must be in effect before the student will be permitted to register for courses pursuant to this agreement.

III. PROGRAMS ELIGIBLE FOR DUAL ENROLLMENT

The following programs and all of the required courses listed in the Daytona State Catalog program guides (excluding course restrictions listed in section V of this agreement) for these programs are eligible for dual enrollment. A list of courses and high school credit that is awarded for those courses can be found in Appendix A.

Associate of Arts degree (students may take any course on the A.A. program guide except courses that are less than 3 credit hours or private lesson courses),
Assocate of Science Programs

Architectural and Building Technology
Computer Engineering Technology
Computer Information Technology
Computer Programming and Analysis
Drafting and Design (CAD)
Electronics Engineering Technology
Industrial Management Technology
Interior Design Technology
Interactive Media Production
Environmental Science Technology

Accounting Technology
Business Administration
Culinary Management
Hospitality Management
Office Administration
Paralegal Studies
Photographic Technology
Simulation and Robotics Technology
Networking Services Technology

College Credit Certificate Programs

Accounting Applications/Computerized Information Technology Management
Accounting Technology Operations – Tax Preparation
Information Technology Support
Information Technology Technician
AutoCAD Foundations Microcomputer Repair/Installer
Business Management Network Communications (LAN)
Business Operations – Entrepreneurship Network Communications (WAN)
Computer Engineering Technology (Cisco) Network System Developer
Computer Programming Office Management
Computer Specialist Office Support
Drafting and Design Technology Web Development Specialist
Information Technology Administration Wireless Communications
Information Technology Analysis

Vocational Certificate Programs (Career Dual Enrollment)

Advanced Automotive Technology (Performance Engine Specialization)
Air Conditioning, Refrigeration and Heating Mechanic
Air Conditioning, Refrigeration and Heating Technology
Automotive Collision, Repair and Refinishing
Automotive Service Technology
Welding Technology

1) While appropriate for college-level study, course materials and class discussions may reflect topics not typically included in secondary courses which some parents may object to for minors. Courses will not be modified to accommodate variations in student age and/or maturity.

2) Students who are not in attendance during the first week of class will be dropped from their course(s) for non-attendance.
IV. DUAL ENROLLMENT ELIGIBILITY REQUIREMENTS

1) Home school students who wish to dual enroll must be in the 10th through 12th
grade level and complete a home school affidavit to verify they are registered with
the school district home school office.

2) Students are required to meet the minimum scores on the Post-Secondary
Education Readiness Test (P.E.R.T.), American College Test (ACT), or Scholastic
Aptitude Test (SAT) or any combination of these entry level placement tests to be
eligible to take college level courses. Students who wish to take vocational courses
are required to meet the program exit requirements on the Test of Basic Adult
Education (TABE).

3) Dual Enrollment students must be working toward an Associate of Arts degree
(AA), Associate of Science degree (AS), or a certificate program.

V. Eligibility Criteria for Continued Dual-Enrollment

1) Students must have a 2.0 or higher college GPA for continued dual enrollment.

2) Students may dual enroll for a maximum of three (3) years or until the completion
of the semester in which the student turns 19 years of age. Students may not dual
enroll if they have completed their high school requirements and/or an Associate’s
degree.

3) Students who earn an “F” or “FN” in a course are no longer permitted to dual enroll
regardless of their GPA.

4) Students who withdraw twice are no longer eligible to participate in dual
enrollment.

5) Students who earn a “D” in a course, but still meet the GPA requirement for
college, are permitted to repeat the course in which they earned a “D” grade (only
that course may be taken) in the next semester. Once the course is complete they
will be evaluated by the DSC Dual Enrollment Administrator for future
participation eligibility.

6) Students who have graduated from high school or will graduate before the
completion of the course are not eligible to participate in the dual enrollment
program.

7) Students may lose the opportunity to participate in the dual enrollment program if
they are disruptive to the learning process. In such cases, the college instructor will
refer the student to the Judicial Affairs office at the college and a decision will be
made based on the decision of the college judicial committee.
within the college academic setting.

It is the student's responsibility to contact an SDS Advisor in advance of enrollment to arrange for the accommodations they may need in order to be successful during their DSC educational experience.

XII. HIGH SCHOOL REQUIREMENTS

It is the home school parent's responsibility to make sure that the student is in compliance with the county on his/her home education curriculum. College advisors cannot assist students with information about their high school requirements.

XII. MISCELLANEOUS PROVISIONS

This agreement shall be construed in accordance with the laws and rules of the State of Florida.
