

How to download an ACT score report on a smartphone

Step 1:

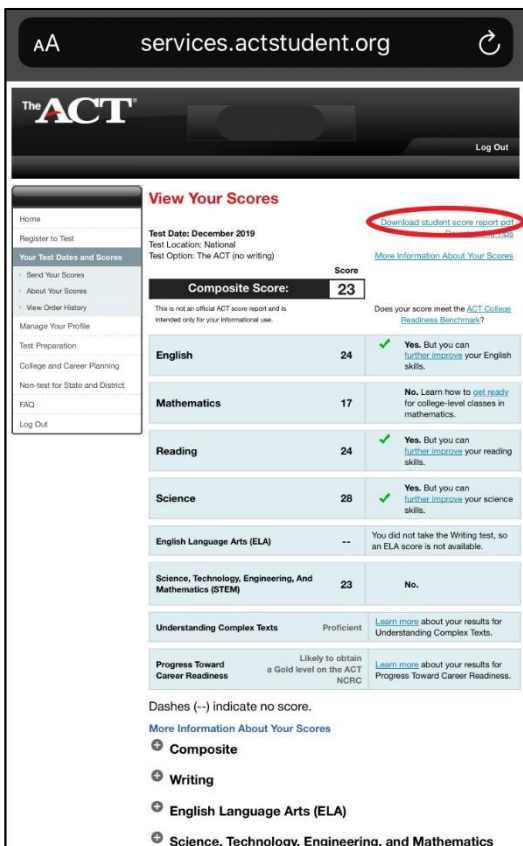

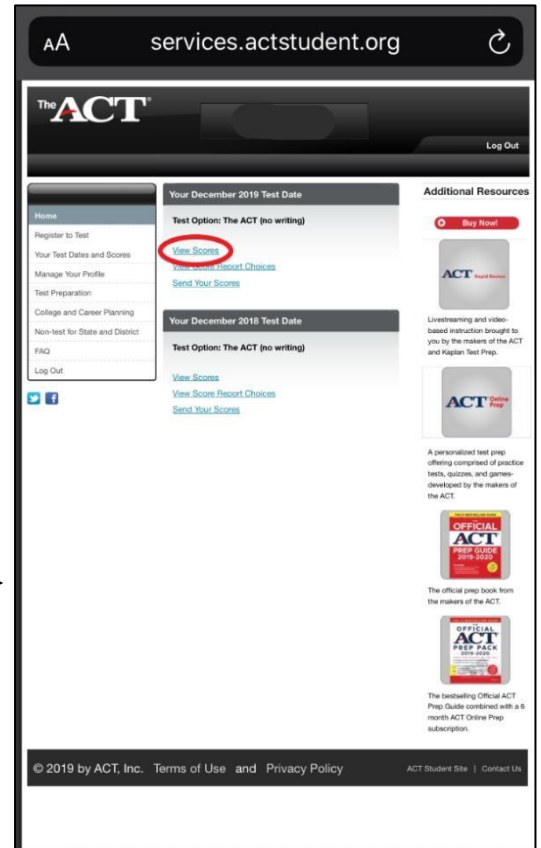

Navigate to act.org.

Click on **Menu** in the upper right.

Then click **Register/Sign In**, and complete the sign-in process.

Step 2:

Once you are signed in, locate the test from which you would like to submit scores and click **View Scores**.

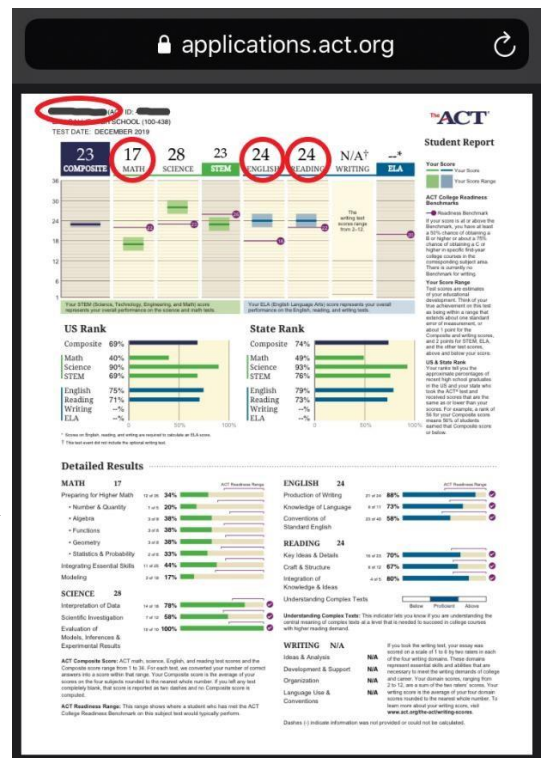

Step 3:

After you re-enter your password, you will see your test scores.

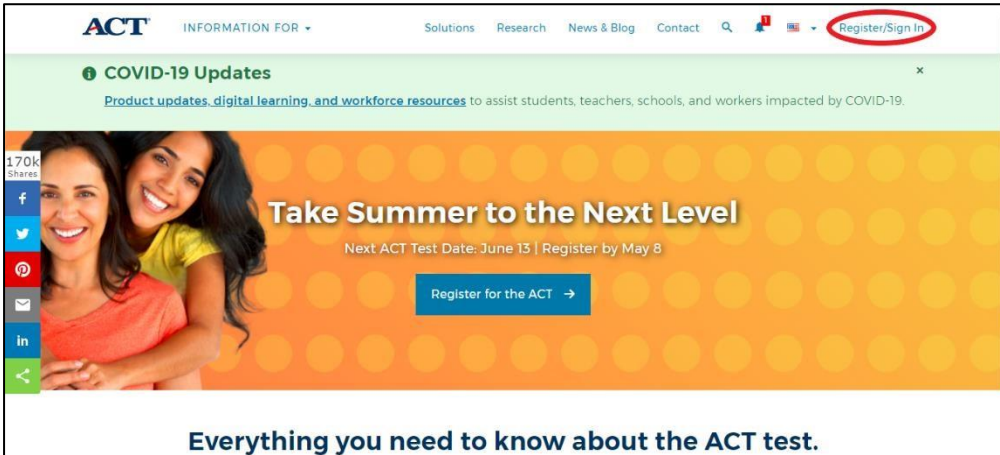

Click **Download student score report pdf** in the upper right.

Step 4:

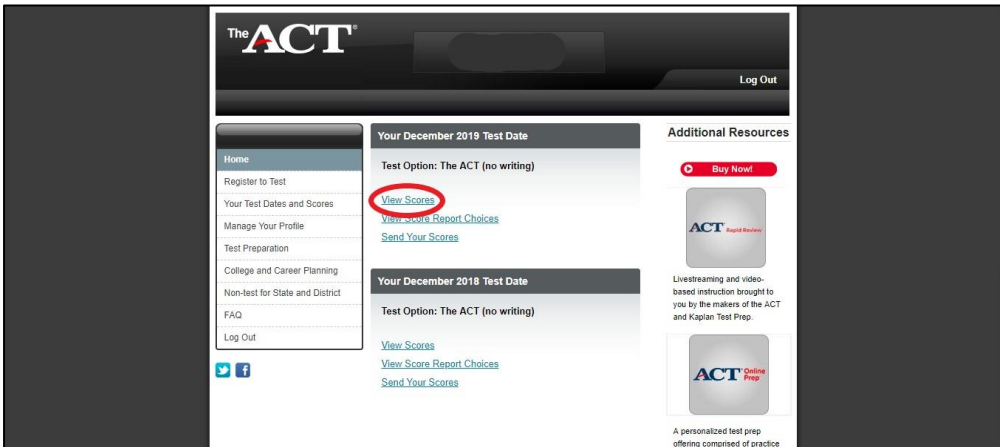

You will see your score report, which must include your name and section scores, as indicated. Download and save this file.
