Last Assessment Day Action Items

Assessment Meeting: March 2, 2018

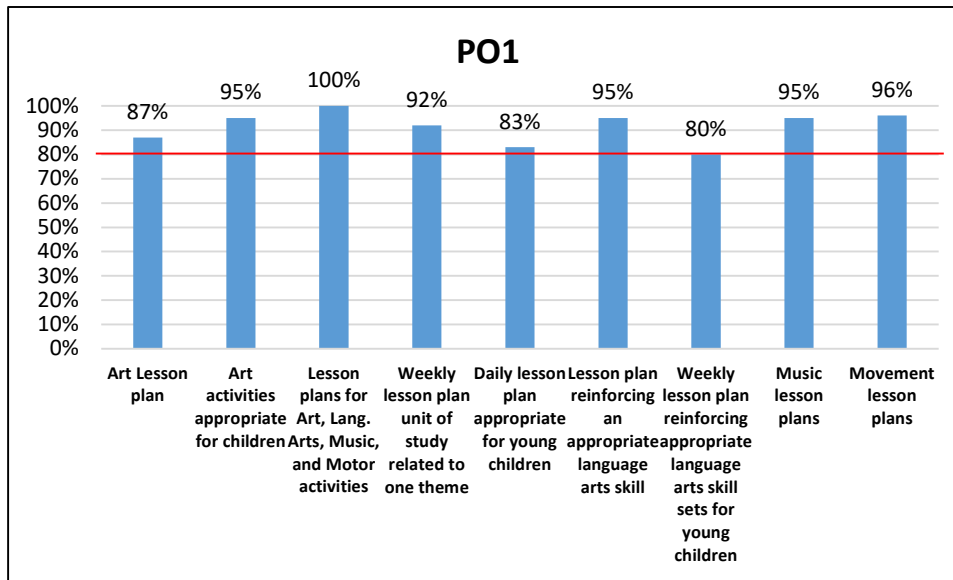

1. Look at alternative and non-traditional clinical sites
2. Look at advanced degrees the graduates can enter
3. Continue working with marketing

Early Childhood Education Associate Degree – 2044 Program Learning Outcomes

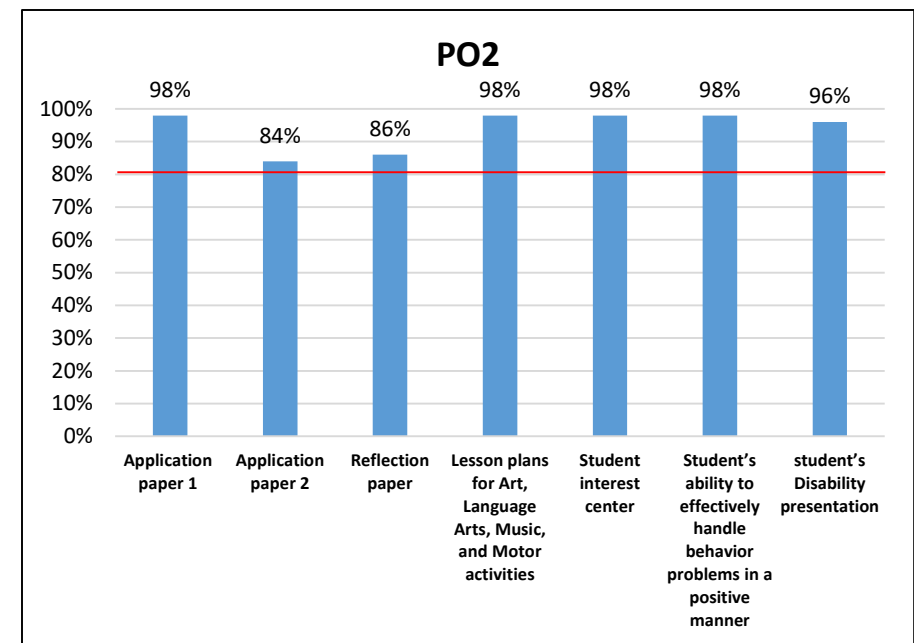

Graduates of the program will be able to:

1. Successfully plan and implement lessons with targeted population of children, using developmentally appropriate curriculum techniques and materials.
2. Utilize appropriate guidance techniques when dealing with targeted population of children.
3. Design units of study, integrating all areas of the curriculum with a developmentally appropriate focus.
4. Demonstrate the responsibilities of an intern in relation to the overall program, to the child care center, to the center student, and to self.

Early Childhood Education Associate Degree – 2044 Assessment Results 2017-2018

Successfully plan and implement lessons with targeted population of children, using developmentally appropriate curriculum techniques and materials
Target: 80% of students will achieve 80% or higher on all assessment measures.

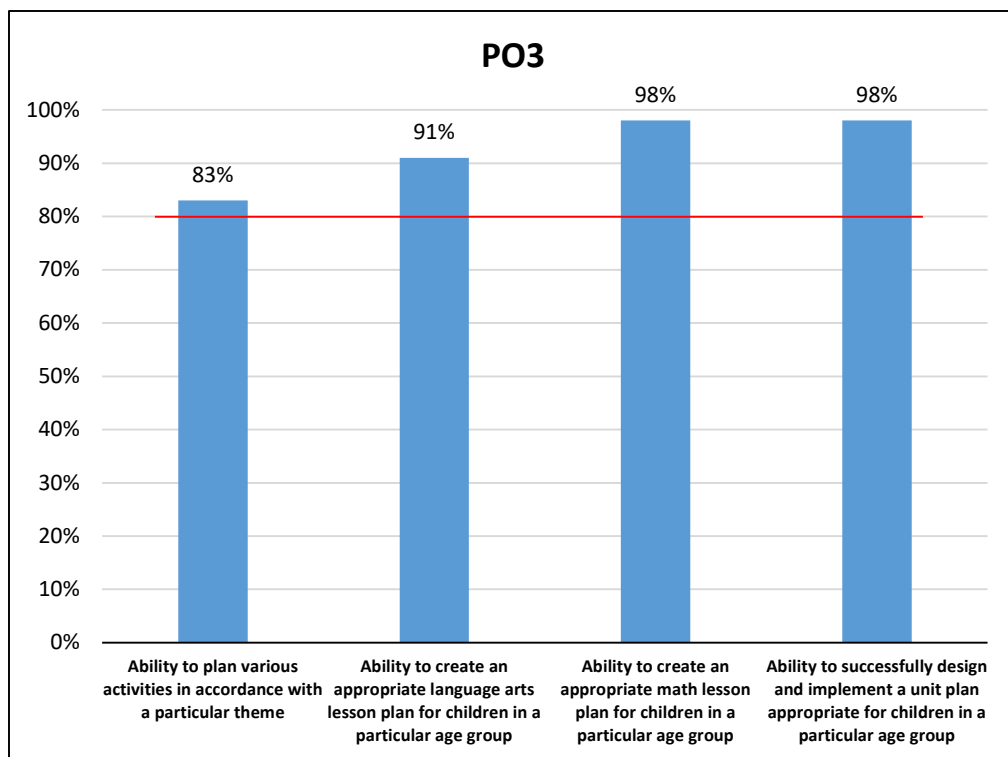

Utilize appropriate guidance techniques when dealing with targeted population of children. *Target: 80% of students will achieve 80% or higher on all assessment measures.*

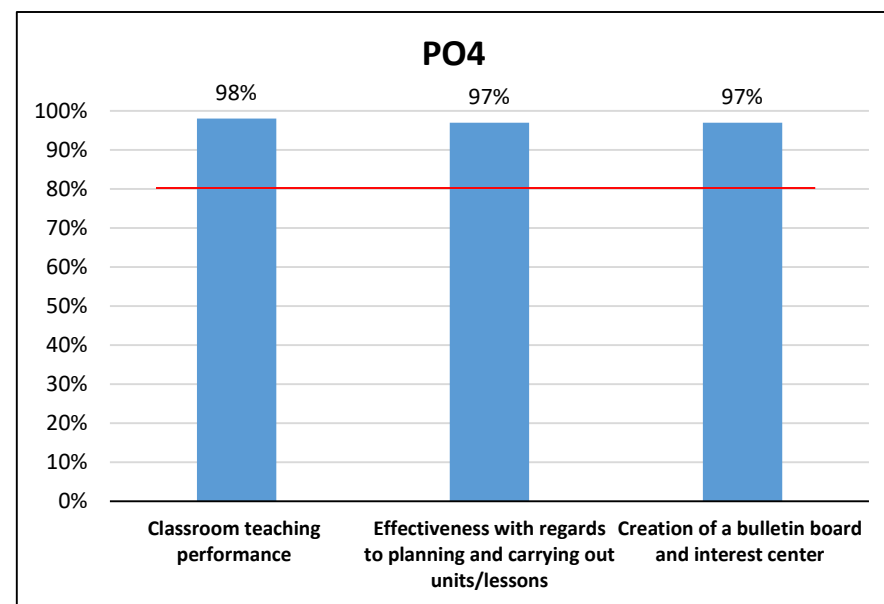

*One result given for assignments 4,5 and 6

Early Childhood Education Associate Degree – 2044

Assessment Results 2017-2018

Design units of study, integrating all areas of the curriculum with a developmentally appropriate focus. *Target: 80% of students will achieve 80% or higher on all assessment measures.*

Demonstrate the responsibilities of an intern in relation to the overall program, to the child care center, to the center student, and to self. *Target: 80% of students will achieve 80% or higher on all assessment measures.*

Health Information Technology (Limited Access Program) – 2214 Program Learning Outcomes

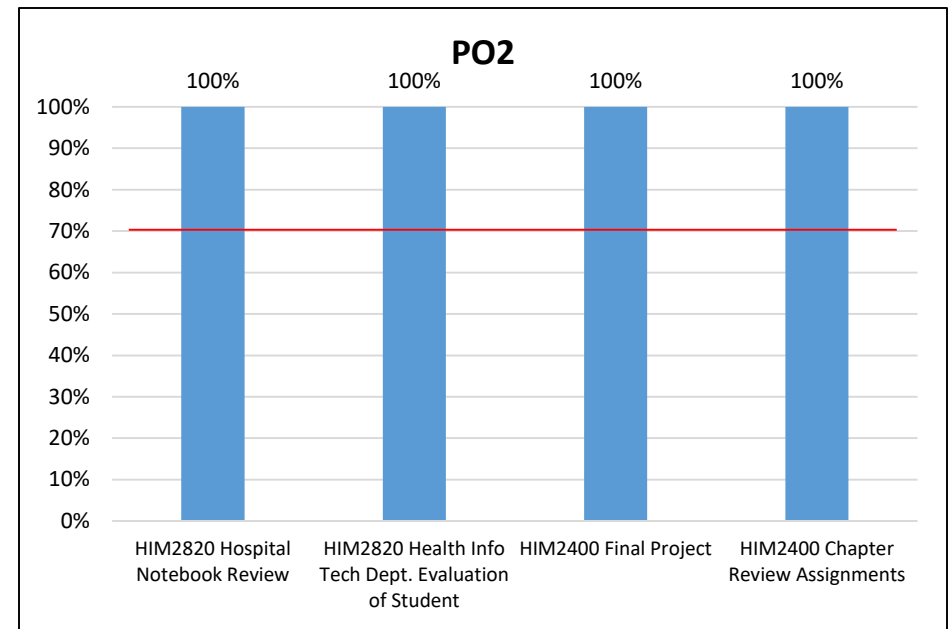

Graduates of the program will be able to:

1. Student will be at or above 75% in the individual domain averages of the mock end-of-program RHIT exam.
2. Student will demonstrate an understanding of the legal and ethical requirements of hospital-based protected patient health information.
3. Student will demonstrate an ability to organize and present healthcare information management data.

Health Information Technology (Limited Access Program) – 2214 Assessment Results 2017-2018

Student will be at or above 75% in the individual domain averages of the mock end-of-program RHIT exam. *Student will be at or above 75% in the individual domain averages of the mock end-of-program RHIT exam.*

Student will demonstrate an understanding of the legal and ethical requirements of hospital-based protected patient health information. *Target: HIM2820 - 70% of students will demonstrate competency in passing Review, 70% of students will demonstrate competency in passing Evaluation, 70% of students will demonstrate competency in passing course. HIM2400 - 70% of students will demonstrate competency in passing Final Project, 70% of students will demonstrate competency in passing Ch Review Asgmnts, 70% of students will demonstrate competency in passing course*

Health Information Technology (Limited Access Program) – 2214 Assessment Results 2017-2018

Student will demonstrate an ability to organize and present healthcare information management data. *Target: HIM2234 - 70% of students will demonstrate competency in passing Test #3, 70% of students will demonstrate competency in passing Final Exam, 70% of students will demonstrate competency in passing course. HIM2214 - 70% of students will demonstrate competency in passing Statistics Project, 70% of students will demonstrate competency in passing Final Exam, 70% of students will demonstrate competency in passing course*

*Same comment as 2016-2017, Revise teaching strategies, currently they are targets.

Massage Therapy (Limited Access Program) – 1024 Program Learning Outcomes

1. Exhibit an understanding of the principles theories of therapeutic massage and demonstrate the proper techniques of massage manipulations including safety, hygiene and health practices.
2. Demonstrate an understanding of human anatomy and physiology, kinesiology and pathology as related to the practice of massage therapy.
3. Explain and appropriately apply allied modalities including the principles theories and use of hydrotherapy.
4. Demonstrate knowledge of basic business practices and ethical standards as outlined in statutes of the Florida Massage Practice Act and the rules of The Board of Massage Therapy (Chapter 480, F.S, Chapter 456 F.S., and Chapter 64B7).
5. Demonstrate the ability to communicate effectively as a medical therapy professional.

Massage Therapy (Limited Access Program) – 1024 Assessment Results 2017-2018

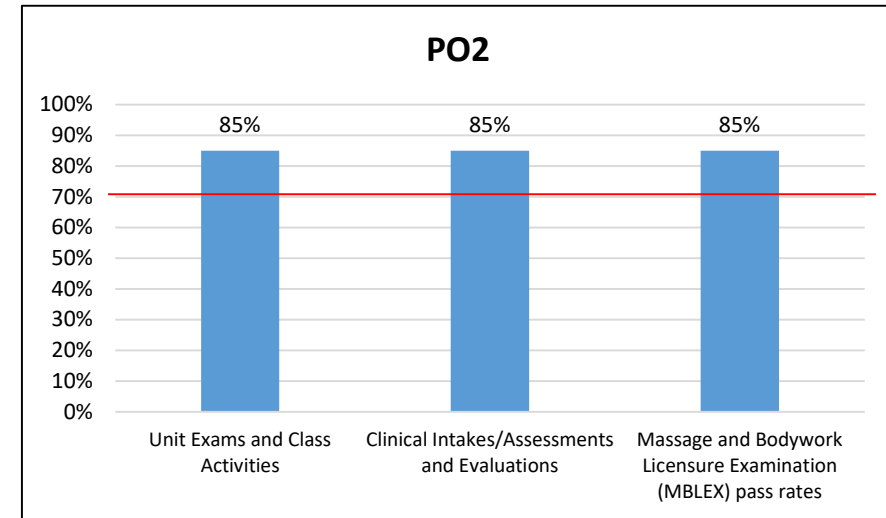

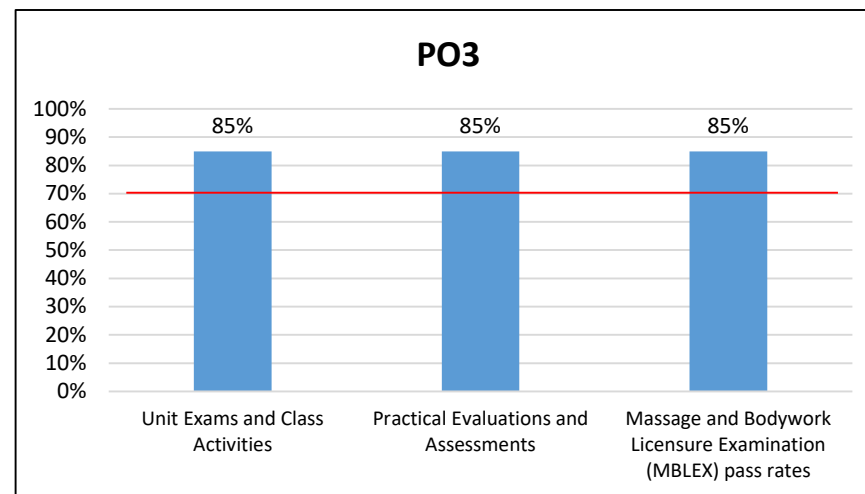

Exhibit an understanding of the principles theories of therapeutic massage and demonstrate the proper techniques of massage manipulations including safety, hygiene and health practices. **Target: More than 70% of students achieved 70% or higher in all assessment measures*

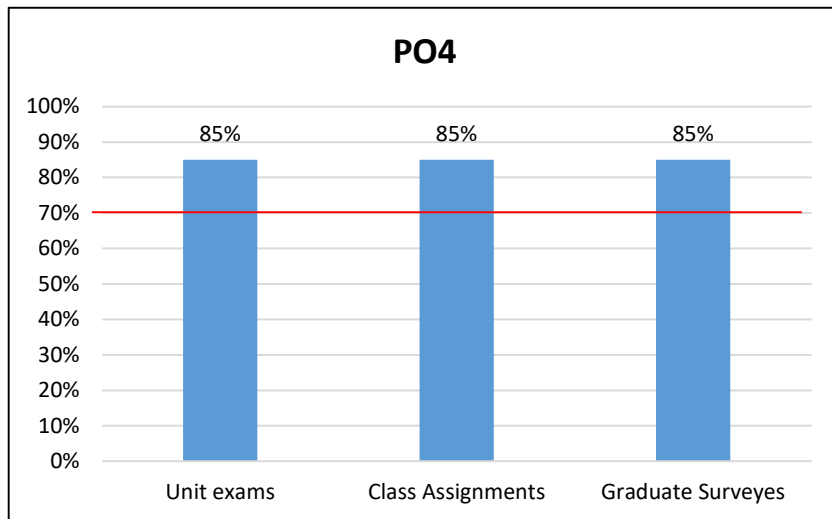

Demonstrate an understanding of human anatomy and physiology, kinesiology and pathology as related to the practice of massage therapy. **Target: More than 70% of students achieved 70% or higher in all assessment measures*

**Targets are now lower, before 85% of students achieved 85% or higher in all assessment measures. Also, one result given, on average, for all assessment measures*

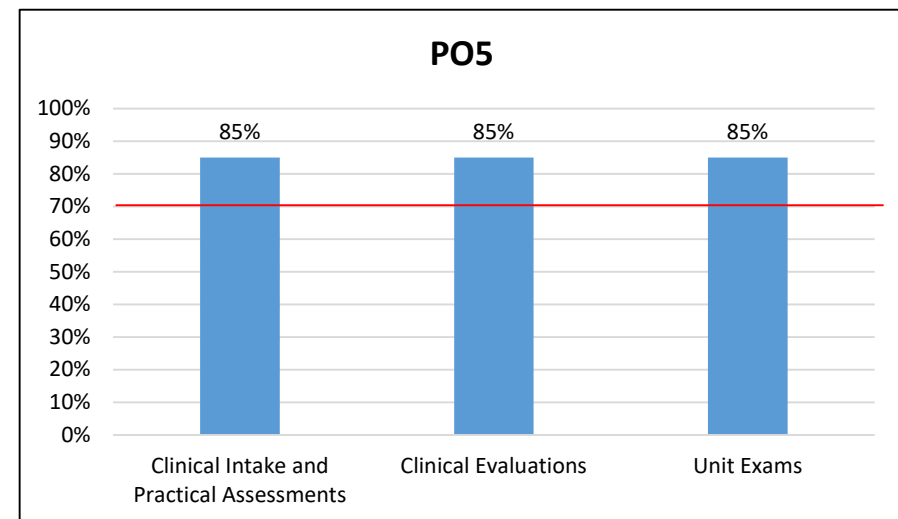

Explain and appropriately apply allied modalities including the principles theories and use of hydrotherapy. **Target: More than 70% of students achieved 70% or higher in all assessment measures*

Massage Therapy (Limited Access Program) – 1024 Assessment Results 2017-2018

Demonstrate knowledge of basic business practices and ethical standards as outlined in statutes of the Florida Massage Practice Act and the rules of The Board of Massage Therapy (Chapter 480, F.S, Chapter 456 F.S., and Chapter 64B7). **Target: More than 70% of students achieved 70% or higher in all assessment measures*

**Targets are now lower, before 85% of students achieved 85% or higher in all assessment measures. Also, one result given, on average, for all assessment measures*

Demonstrate the ability to communicate effectively as a medical therapy professional. **Target: More than 70% of students achieved 70% or higher in all assessment measures*

Medical Assisting (Limited Access Program) – 1023 Program Learning Outcomes

1. Demonstrate knowledge of the fundamentals of the Medical Assisting profession.
2. Demonstrate knowledge of the basic principles of medical office procedures.
3. Develop a clear idea of his /her role and responsibilities to the patient, the physician and other members of the health care team.
4. Demonstrate a sound basis of the scientific principles of Anatomy/Physiology and Medical Terminology.
5. Demonstrate knowledge of Pharmacology and Billing/Coding
6. Demonstrate a basic knowledge of diet and nutrition, so that they may be able to provide patient education, as well as be self-educated in these areas as it relates to disease processes and good health.
7. Develop lifelong learning habits for personal and professional growth and development.

Medical Assisting (Limited Access Program) – 1023 Assessment Results 2017-2018

Demonstrate knowledge of the fundamentals of the Medical Assisting profession. *Target: 95% of students achieving 75% or higher in all assessment measures*

Demonstrate knowledge of the basic principles of medical office procedures. *Target: 89% of students achieving 93% or higher in all assessment measures*

Develop a clear idea of his /her role and responsibilities to the patient, the physician and other members of the health care team. *Target: 95% of students achieving 85% or higher in all assessment measures*

Demonstrate a sound basis of the scientific principles of Anatomy/Physiology and Medical Terminology. *Target: 89% of students achieving 75% or higher in all assessment measures*

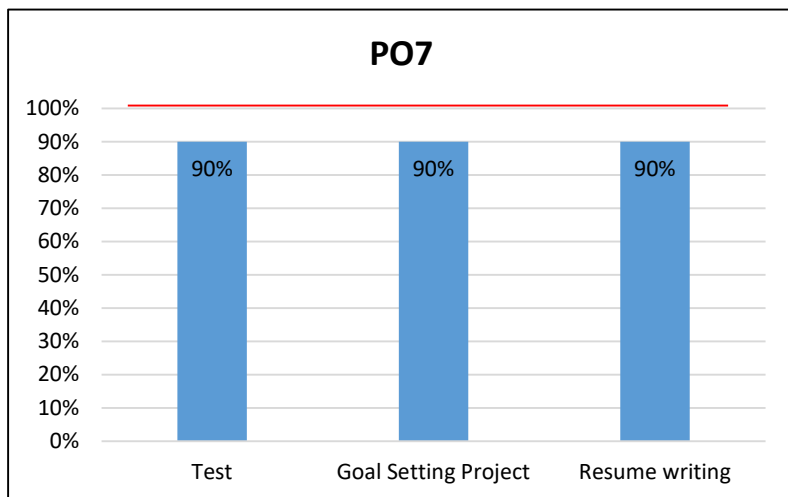

Medical Assisting (Limited Access Program) – 1023 Assessment Results 2017-2018

Demonstrate knowledge of Pharmacology and Billing/Coding. *Target: 100% of students achieving 85% or higher in all assessment measures for MEA0242*

Demonstrate a basic knowledge of diet and nutrition, so that they may be able to provide patient education, as well as be self-educated in these areas as it relates to disease processes and good health. *Target: 100% of students achieving 80% or higher in all assessment measures*

Develop lifelong learning habits for personal and professional growth and development. *Target: 100% of students achieving 85% or higher in all assessment measures*

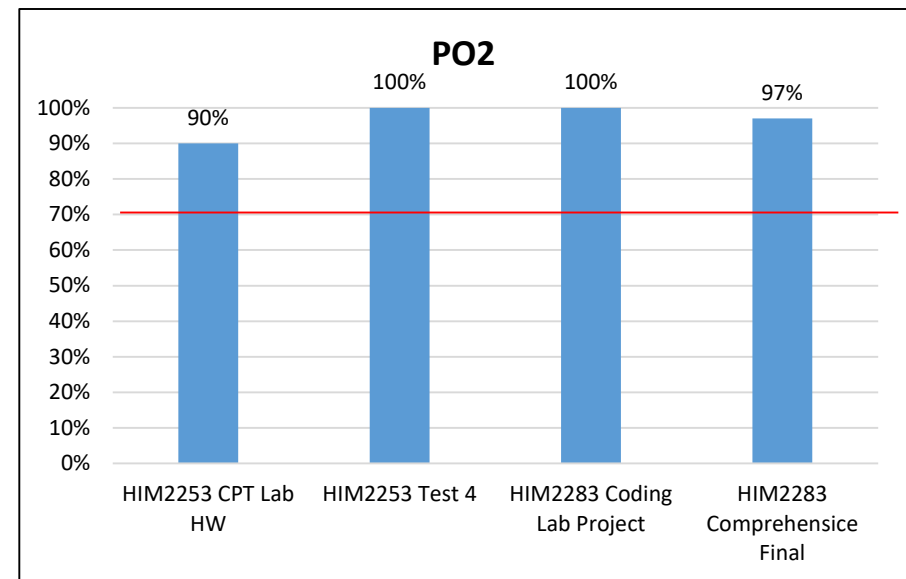

Medical Information Coder Biller (Limited Access Program) – 0912 Program Learning Outcomes

1. Students will use diagnostic coding skills to successfully code patient charts.
2. Students will demonstrate appropriate procedural coding skills.
3. Students will demonstrate self-management skills through an ability to work in teams on class projects.

Medical Information Coder Biller (Limited Access Program) – 0912 Assessment Results 2017-2018

Students will use diagnostic coding skills to successfully code patient charts. *Target: HIM1222 - 70% of students will demonstrate competency in passing project, 70% of students will demonstrate competency in passing final, 70% of students will demonstrate competency in passing course. HIM1273 - 70% of students will demonstrate competency in Assignment #3, 70% of students will demonstrate competency in passing Test #12, 70% of students will demonstrate competency in passing course.*

Students will demonstrate appropriate procedural coding skills. *Target: HIM2253 - 70% of students will demonstrate competency in passing CPT Lab HW, 70% of students will demonstrate competency in passing Test #4, 70% of students will demonstrate competency in passing course. HIM2283 - 70% of students will demonstrate competency in passing Coding Lab, 70% of students will demonstrate competency in passing Final, 70% of students will demonstrate competency in passing course*

Medical Information Coder Biller (Limited Access Program) – 0912 Assessment Results 2017-2018

Students will demonstrate self-management skills through an ability to work in teams on class projects. *Target: HIM1000 - 70% of students will demonstrate competency in passing Lab Work #3, 70% of students will demonstrate competency in passing Oral Assignment #5, 70% of students will demonstrate competency in passing course. HIM2500 - 70% of students will demonstrate competency in passing Team Lab #2, 70% of students will demonstrate competency in passing Final Exam, 70% of students will demonstrate competency in passing course*

*Revise teaching strategies, currently they are targets.

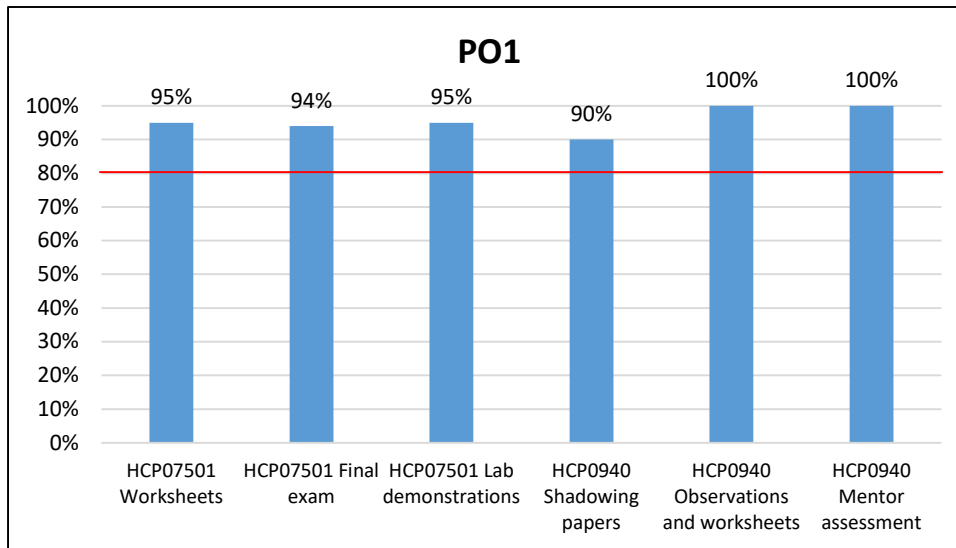

Phlebotomy (Limited Access Program) – 1210 Program Learning Outcomes

Graduates of the program will be able to:

1. Collect blood specimens by safely performing venipuncture and capillary blood collection.
2. Identify anatomy and physiology of the cardiovascular system as it pertains to blood collection.
3. Identify phlebotomy equipment and perform proper specimen handling.
4. Practice infection control.
5. Demonstrate effective communication skills.
6. Demonstrate appropriate record keeping and data collection.

Phlebotomy (Limited Access Program) – 1210

Assessment Results 2017-2018

Collect blood specimens by safely performing venipuncture and capillary blood collection.
Target: 80% of students will achieve 75% or higher in all assessment measures

Identify anatomy and physiology of the cardiovascular system as it pertains to blood collection. *Target: 80% of students will achieve 75% or higher in all assessment measures*

Identify phlebotomy equipment and perform proper specimen handling. *Target: 80% of students will achieve 75% or higher in all assessment measures*

Phlebotomy (Limited Access Program) – 1210

Assessment Results 2017-2018

Practice infection control. *Target: 80% of students achieving 75% or higher in all assessment measures*

Demonstrate effective communication skills. *Target: 80% of students achieving 75% or higher in all assessment measures*

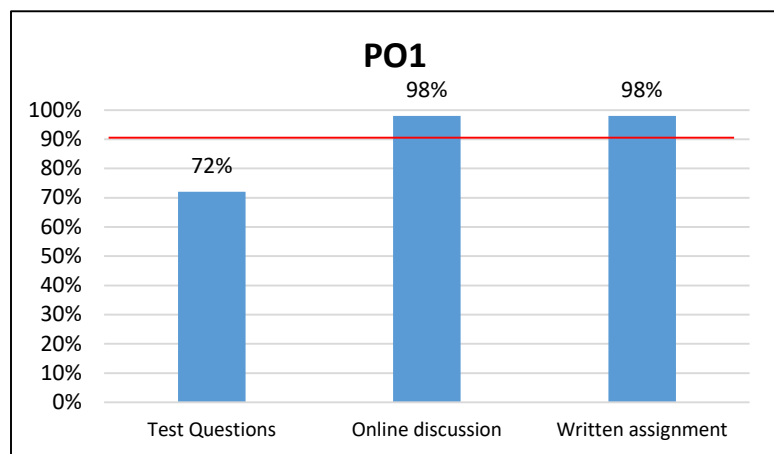

Demonstrate appropriate record keeping and data collection. *Target: 80% of students achieving 75% or higher in all assessment measures*

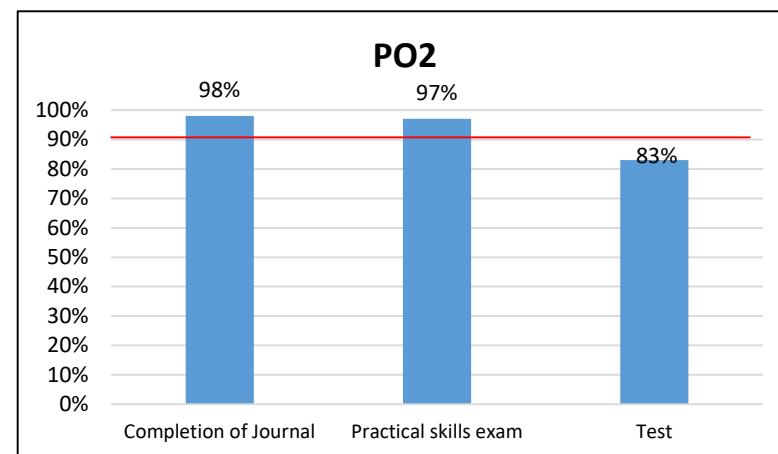

Occupational Therapy Assistant (Limited Access Program) – 2215 Program Learning Outcomes

1. Demonstrate the professional ethics, values, and responsibilities consistent with practice in occupational therapy (OT) in the role of an occupational therapy assistant (OTA).
2. Use skills in various occupational therapy applications/situations based on foundational concepts learned about communication, clinical reasoning, human body structures and functions, development, pathology, and behavior, and sociocultural conditions and health.
3. Explain how occupation is inherent to human health and participation in life, and is a foundation for OT knowledge and service delivery.
4. Apply the most appropriate occupational therapy theories, evaluation methods, intervention rationales and approaches, and expected outcomes in the process of client care.
5. Establish a client-centered, evidence-based approach to service delivery.
6. Apply the concepts of occupational therapy to a variety of delivery models and systems where occupational therapy is both currently practiced and emerging.
7. Direct own professional development through participation in professional organizations, community activities, and other opportunities and roles.

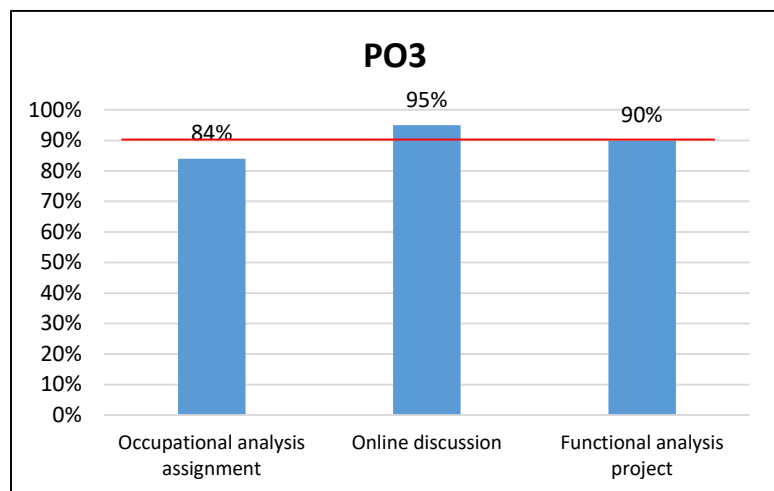

Occupational Therapy Assistant (Limited Access Program) – 2215 Assessment Results 2017-2018

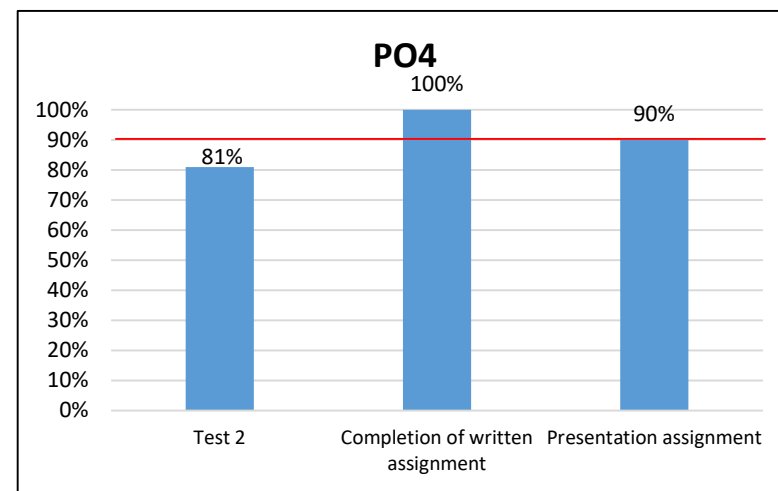

Demonstrate the professional ethics, values, and responsibilities consistent with practice in occupational therapy (OT) in the role of an occupational therapy assistant (OTA). *Target: 90% of students achieving 90% or higher*

Use skills in various occupational therapy applications/situations based on foundational concepts learned about communication, clinical reasoning, human body structures and functions, development, pathology, and behavior, and sociocultural conditions and health. *Target: 90% of students achieving 80% or higher*

Explain how occupation is inherent to human health and participation in life, and is a foundation for OT knowledge and service delivery. *Target: 90% of students achieving 90% or higher*

Apply the most appropriate occupational therapy theories, evaluation methods, intervention rationales and approaches, and expected outcomes in the process of client care. *Target: 90% of students achieving 80% or higher*

Occupational Therapy Assistant (Limited Access Program) – 2215 Assessment Results 2017-2018

Establish a client-centered, evidence-based approach to service delivery. *Target: 90% of students achieving 80% or higher*

Apply the concepts of occupational therapy to a variety of delivery models and systems where occupational therapy is both currently practiced and emerging. *Target: 90% of students achieving 80% or higher*

Direct own professional development through participation in professional organizations, community activities, and other opportunities and roles. *Target: 90% of students achieving 90% or higher*

Physical Therapist Assistant (Limited Access Program)- 2216 Program Learning Outcomes

1. Integrate scientific principles which form the foundation of physical therapy into clinical practice.
2. Differentiate the normal vs. abnormal states of physiology that are observed and/or treated in the clinical setting.
3. Describe his/her role and responsibilities to the patient, the physician, the physical therapist and other members of the health care team.
4. Perform interventions, under the supervision of the physical therapist, consistent with evidenced-based physical therapy practice safely, effectively and efficiently.
5. Analyze and evaluate the physical therapy literature in pursuit of lifelong learning.
6. Value active participation in the American Physical Therapy Association, the Florida Chapter and East Central District as means of professional development.

Physical Therapist Assistant (Limited Access Program) - 2216 Assessment Results 2017-2018

Integrate scientific principles which form the foundation of physical therapy into clinical practice. *Target: Cohort achieving 80% or higher*

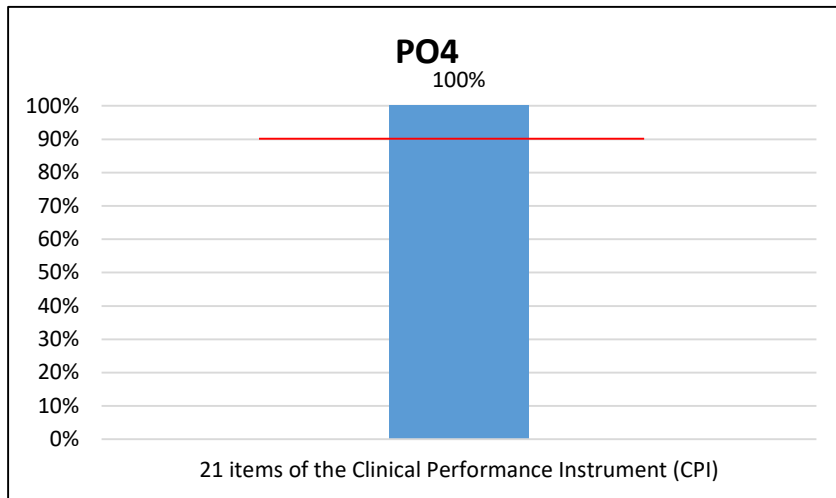

Differentiate the normal vs. abnormal states of physiology that are observed and/or treated in the clinical setting. *Target: Cohort achieving 80% or higher*

Describe his/her role and responsibilities to the patient, the physician, the physical therapist and other members of the health care team. *Target: Cohort achieving 90% or higher*

Physical Therapist Assistant (Limited Access Program) - 2216 Assessment Results 2017-2018

Perform interventions, under the supervision of the physical therapist, consistent with evidenced-based physical therapy practice safely, effectively and efficiently. *Target: Cohort achieving 90% or higher*

Analyze and evaluate the physical therapy literature in pursuit of lifelong learning. *Target: Cohort achieving 80% or higher*

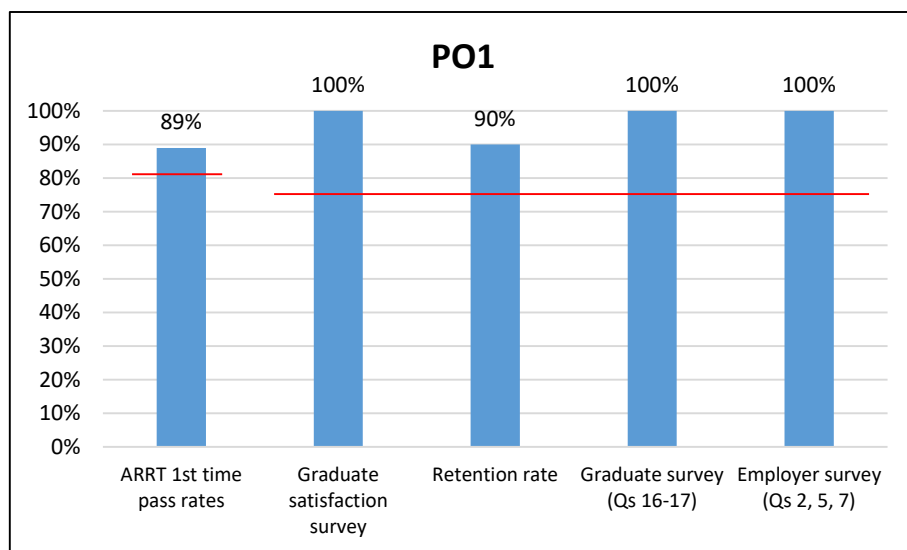

Value active participation in the American Physical Therapy Association, the Florida Chapter and East Central District as means of professional development. *Target: Cohort achieving 80% or higher*

Radiography (Limited Access Program) – 2037 Program Learning Outcomes

1. Perform as an entry-level radiographer in providing quality patient care.
2. Adapt procedures using critical thinking and problem solving skills to produce optimal images.
3. Demonstrate professional values and attributes to maintain a high standard of ethical conduct with patients, peers, employers and other members of the health care team.
4. Outline plan to continue their professional growth and development.

Radiography (Limited Access Program) – 2037 Assessment Results 2017-2018

Perform as an entry-level radiographer in providing quality patient care.
Target: 80% or higher. 75% of the graduates returning the survey will mark yes to questions 16-17. All of the employers returning the survey will mark Meets Standards for Questions 2, 5 and 7

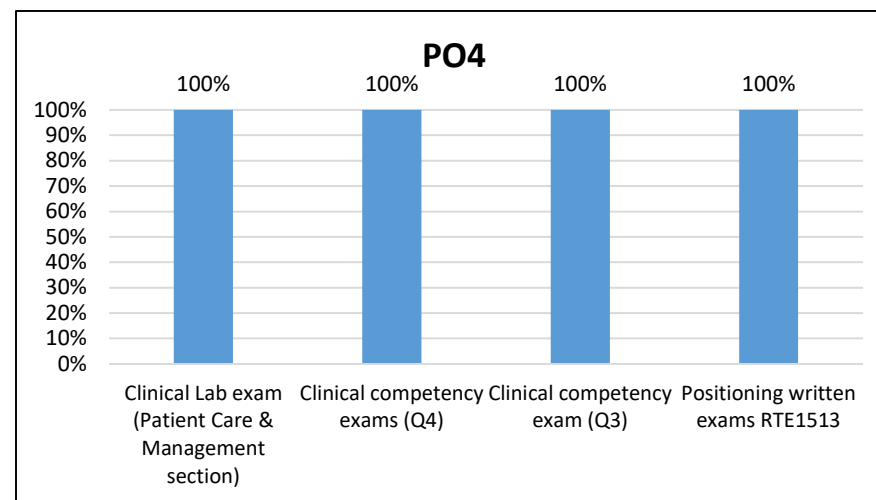

Adapt procedures using critical thinking and problem solving skills to produce optimal images. *Target: Students must meet 20 of 25 points possible for C-arm set up and 70 of 75 for Manipulation.*

Radiography (Limited Access Program) – 2037 Assessment Results 2017-2018

Demonstrate professional values and attributes to maintain a high standard of ethical conduct with patients, peers, employers and other members of the health care team. *Target: All students will achieve a minimum score of 1 on question 11 – Personal Appearance. All students will achieve a minimum score of 2 on question 13 – Professional Ethics. 75% of graduates will mark yes to plan on continuing education by attending meetings, college classes or cross-training. 75% of students will mark yes on planning to obtain additional education.*

Outline plan to continue their professional growth and development. *Target: Average score of > 6.8 (Spring). Average score of >7.6(Summer). Average score of >85% on written exams in RTE 1513*

Respiratory Care (Limited Access Program) – 2217

Program Learning Outcomes

Graduates of the program will be able to:

1. Perform entry-level skills competently as described by the scope of practice for Respiratory Care.
2. Employ effective communication skills within the healthcare setting.
3. Assemble a safe environment within the healthcare setting.
4. Apply professional behaviors within a healthcare setting.
5. Execute safe clinical decision making in respiratory care.

Respiratory Care (Limited Access Program) – 2217 Assessment Results 2017-2018

Perform entry-level skills competently as described by the scope of practice for Respiratory Care. *Target: 70% of students will achieve 78% or higher in all assessment measures*

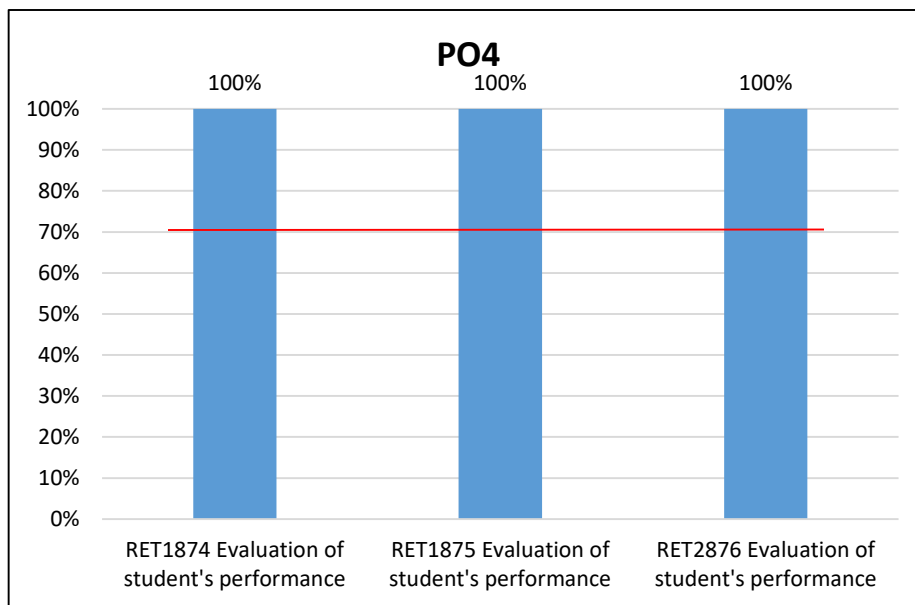

Employ effective communication skills within the healthcare setting. *Target: 70% of students will achieve 78% or higher in all assessment measures*

Assemble a safe environment within the healthcare setting. *Target: 70% of students will achieve 78% or higher in all assessment measures*

Respiratory Care (Limited Access Program) – 2217 Assessment Results 2017-2018

Apply professional behaviors within a healthcare setting. *Target: 70% of students will achieve 78% or higher in all assessment measures*

Execute safe clinical decision making in respiratory care. *Target: 70% of students will achieve 78% or higher in all assessment measures*

Surgical Technology (Limited Access Program) – 1092 Program Learning Outcomes

Graduates of the program will be able to:

1. Demonstrate knowledge of surgical technology.
2. Demonstrate the ability to function in both the first and second scrub solo roles (as defined by the Core Curriculum) for general surgery and specialty surgical procedures.
3. Qualify to obtain an entry level job at a sponsoring institution.
4. Model professional behavior by applying the ethical and legal principles of surgical technology practice in the culturally diverse environment of the operating room.

Surgical Technology (Limited Access Program) – 1092

Assessment Results 2017-2018

Demonstrate knowledge of surgical technology. *Target: 80% of students will achieve 70% or higher in all assessment measures*

Demonstrate the ability to function in both the first and second scrub solo roles (as defined by the Core Curriculum) for general surgery and specialty surgical procedures. *Target: 80% of students will achieve 70% or higher in all assessment measures*

Qualify to obtain an entry level job at a sponsoring institution. *Target: 80% of students will achieve 70% or higher in all assessment measures*

Model professional behavior by applying the ethical and legal principles of surgical technology practice in the culturally diverse environment of the operating room. *Target: 80% of students will achieve 70% or higher in all assessment measures*
