All degree and certificate-seeking students are required to provide final, official high school or GED transcripts and final, official transcripts from **all** post-secondary institutions previously attended. Adult high school students must submit final, official transcripts from their last school of attendance. An official transcript is one that is sent directly to Daytona State College from the issuing institution or hand-carried **in a sealed envelope** from that institution. Opened transcripts, copies, or faxes will not be accepted.

Students who earned a Special Diploma or Certificate of Completion will be required to earn a standard high school diploma or GED before pursuing a degree program or any certificate program that requires a high school diploma or a GED. Students who have earned a Certificate of Completion-CPT are eligible to pursue any available degree or certificate with the exception of limited access programs.

FINANCIAL AID will not be awarded until all the required official transcripts are received by the Admissions Office.

Transcripts from institutions outside the U.S. must be evaluated by a NACES member company. Member companies are listed at www.naces.org. Please contact an Admission Advisor for more information.

EVERY STUDENT IS REQUIRED TO COMPLETE A RESIDENCY AFFIDAVIT.

Daytona State College Florida Residency Affidavit

This affidavit and all supporting documents must be returned to the Admissions office prior to the first day of classes in the semester for which Florida residency is sought or residency cannot be granted for that semester.

Tuition for students who qualify as Florida residents is less than tuition for non-Florida residents in many cases. The laws of Florida define residency status.

Do You Qualify for In-State Tuition? A Florida resident for tuition purposes is a person (or if under age 24, the parent or legal guardian) who has established and maintained legal residence in Florida for at least twelve (12) months immediately preceding the first day of classes of the academic term for which the student enrolls. Residence during the 12-month qualifying period must be for the purpose of maintaining a bona fide domicile rather than maintaining a temporary residence incident to enrollment in an institution of higher education. The student must be in a citizenship/immigration status that is eligible to establish Florida residency for tuition purposes.

If any of the following statements are true, check that box and then fill out the "Florida Residency Claimant Information" below. If you do not meet any of these criteria, you are a "Non-Florida Resident" for tuition purposes and you should sign in the "Non-Florida Resident" section at the bottom of this form or speak to an Admissions Advisor for more information.

- I am a qualified beneficiary under the Florida Pre-Paid Post-secondary Expense Program, S.1009.988 (2),F.S. (Required: copy of card.)
I am an independent person and have maintained residence in Florida for at least 12 months. (If under age 24, you must provide one of the following: (1) copy of marriage certificate, (2) copy of birth certificate for student's legal dependent(s) or (3) proof of self-supporting income along with copy of parents' most recent tax transcripts.)
I am a dependent person under age 24 and my parent or guardian has maintained legal residence in the state of Florida for at least 12 months. The parent or guardian must complete the claimant information below.
I am a dependent person under age 24 who has resided for three years with an adult relative other than my parent or guardian, and my relative and I can demonstrate legal residence in Florida for at least 12 months (Required: copy of tax transcripts on which you were claimed as a dependent or other proof of dependency.)
I was previously enrolled at a Florida state institution and classified as a Florida resident for tuition purposes. I abandoned my Florida domicile less than 12 months ago and am now re-establishing Florida legal residence.
I am a member of the armed forces of the United States and I am stationed in the state of Florida on active military duty pursuant to military orders, or whose home of record is Florida, or I am a member's spouse or dependent child. (Required: copy of military orders, DD214 or DD2058 showing home of record.)
I am a full-time instructional or administrative employee employed by a Florida public school, community college or institution of higher education, or I am the employee's spouse or dependent child. (Required: copy of employment verification.)
I am a full-time employee of a state agency or political subdivision of the state whose student fees are paid by the state agency or political subdivision for the job-related law enforcement or corrections training.

This is a brief summary of the complex state of Florida residency requirements. Please visit an Admissions office for a detailed review.
