Collegiate High School
Daytona State College and Volusia and Flagler Public Schools

Collegiate high school is a form of dual enrollment in which a student takes 15-16 credit hours on campus and nothing at the high school.

- It is for public school students only
- Students will be required to admit to the college using the traditional dual enrollment form.
- Students must submit a separate Collegiate High School Application which can be obtained from your high school counselor. The completed application should be sent to the Director of Academic Advising. You can drop it off at any Daytona State College campus Academic Advising office or mail it to:
  
  Dr. LeeAnn Davis, Director, Academic Advising
  Daytona State College
  1200 W. International Speedway Blvd.
  Daytona Beach, FL 32114

- AA students will be required to declare an intended transfer school and major and the pre-requisites will be part of his/her required coursework.
- Students will be required to attend an Orientation in the summer and may be required to take summer courses between their Junior and Senior year of high school. Students will be required to sign a contract and take only classes required for their degree.
- The following majors are eligible for Collegiate High School:
  - A.S. degree in Internet Services Technology
  - A.S. degree in Computer Information Technology
  - A.S. in Computer Programming and Analysis
  - A.S. degree in Electrical Engineering Technology
  - A.S. in Simulation and Robotics Technology
  - A.S. in Computer Engineering Technology
  - Associate of Arts (A.A.) degree
- Students in the A.S. programs will be eligible for Cape Industry Certifications
- Admission requirements: Students must be in 11th or 12th grade starting in the fall, have a 3.2 or higher unweighted high school GPA and test scores that place the student into MAC1105 and ENC1101
- Student who complete all courses successfully and start in the 11th grade will earn an Associate’s degree by the time they graduate from high school.
- Students who earn an “F” will no longer be eligible to participate.
- Students who withdraw (from one class) or earn a “D” will be moved to regular dual enrollment IF their high school and college GPA still qualify them to participate. Students who withdraw from two or more classes will no longer be eligible to dual enroll.
- Books will still be provided by the student’s high school.
- Students will still be eligible to graduate with their high school class.
- Dual enrollment staff will be working with the high school counselors to make sure the student is meeting high school requirements.
