# How to view and print ACT scores

You can access your Student Report through your online ACT web account at **https://my.act.org**. This is the same account that you used to register for the tests online. Your Student Report will include your ACT results along with college and career planning information.

Once you log in to your My.ACT.org account, click on the SCORES link at the top of the page.

Then click on the date of the test, this will open the score report.
