Reminders for selecting courses:

- Students must declare a major on the dual enrollment form and may only take classes required for their declared major.
- Students in an [Associate of Arts program](#) must complete the General Education requirements and any pre-requisite course(s) needed to transfer into their intended bachelor's degree program before they will be permitted to take other elective courses.
- Students may take a combination of face-to-face, hybrid, and online courses. Review the details on each modality in the [Course Types InfoGuide](#).
- Dual enrolled students do not have access to register for courses on their own. All course selections must be submitted on a completed Dual Enrollment form to an Advisor at DualEnrollment@DaytonaState.edu.

How Many Classes Can You Take?

- Students may enroll in up to 15 total credit hours total per 15-week semester at DSC during the Fall and Spring semesters, with no more than 9 credits during each A or B term.
- Students may take an additional one credit hour per semester for any needed lab if their cumulative college GPA is 3.0 or above.
- During the summer semester, students may take no more than 14 credit hours (two classes in the "A" term, two classes in "B" term, and two extra credit hours for labs, if needed). Ten-week courses will be counted in the "A" term credits.
- Dual enrolled students are limited to **2** fully online courses per 15-week semester, with the exception of students who have earned at least 30 credits and have a minimum 3.5 DSC GPA.
