

National Online Learning Day

September 2026

Falcons,

September 15th is **National Online Learning Day**, which is an annual observance that celebrates the transformative power of digital education and emphasizes the accessibility and flexibility that online platforms offer. It serves as a reminder of the continuous evolution of education, of bridging geographical gaps, and providing opportunities for lifelong learning.

Participating in National Online Learning Day can be a rewarding and educational experience. Here are some practical ways you can get involved:

- **Reflect and Plan:** Take time to reflect on your learning goals and plan your educational path.
- **Engage in Online Courses:** There are thousands of courses available to you through our partnership with Skillsoft. Explore subjects that align with your passions or professional goals.
- **Explore Online Resources:** Discover new online resources to expand your digital toolkit, such as educational apps, podcasts, YouTube channels, and blogs.
- **Where Are We Headed with Our Students?** Discover how our students learn and engage through digital tools like our Learning Management System (LMS), and how these technologies are transforming educational and professional services to create more connected, accessible, and engaging experiences.
