"Winning is not everything, but making the effort to win is."
- Vince Lombardi

On behalf of the NJCAA, congratulations on earning your place in the NJCAA National Championship. Reaching this stage is a remarkable achievement — one that reflects your hard work, perseverance, and unwavering commitment to excellence both on and off the field of play.

The National Championship is more than just a competition; it is a celebration of your journey, your dedication, and the countless hours you've invested to represent your college and community with pride. Your presence here means you have risen to the challenge — overcoming adversity, pushing your limits, and setting a powerful example of what it means to be a student-athlete.

As you compete at the highest level of NJCAA athletics, I encourage you to embrace the moment. Trust your preparation, support your teammates, and perform with integrity and heart. Regardless of the outcome, know that your efforts have already made an impact — on your team, your college, and yourself.

The NJCAA is incredibly proud of you. You are part of a legacy of student-athletes who define what it means to lead, to compete, and to achieve. We look forward to seeing all that you will accomplish — not only in this championship but in the future ahead.

Best of luck, and thank you for representing the very best of two-year college athletics.

On behalf of the District Board of Trustees and the entire Daytona State College community, I wish the best of luck to all of the competitors. This is your time to shine. May the tournament bring out the best in your athletic abilities, your determination and your character.
