Job Title: Lifeguard

Purpose of Job: To ensure safety & well-being of the Aquatic Center patrons, including surveillance of pool and surrounding areas. Provide first aid and emergency care utilizing certificate skills as needed. Assist with daily operations of the Aquatic Center.

Duties/Responsibilities:

- Must communicate effectively with patrons and other staff members.
- Provide emergency care when needed.
- Provide lifeguarding for the facility and its patrons.
- Perform cleanup and maintenance of Aquatic Center pool area, equipment, locker facilities and classroom.
- Assume responsibilities of opening & closing of Aquatic Center, restrooms, and locker facilities.
- Appear professional/wear lifeguard uniform.

Job Qualifications:

- Must be, or able to obtain through Daytona State College’s Aquatic Center, a certified American Red Cross Lifeguard, First Aid, and CPR for the professional rescuer.
- Must be able to swim 300 yards and retrieve 10 lb object from minimum of 7 ft depth.
- Must possess good interpersonal and customer service skills.
- Must be interested in providing water safety.
- Be dependable and prompt in attendance.
