**Job Title:** Student Office Assistant

**Purpose of Job:** To greet students/employers/alumni who call or visit the Career Services Office, guide them to the appropriate resources, assist with logging in to the virtual resources, and supporting Academic and Career Advising functions

**Duties/Responsibilities:**

- Include greeting students, employers, and other visitors
- Answer phones and taking accurate, thorough messages
- Create memos and flyers, as needed using tools like Microsoft Word and other software
- Entering data with accuracy into both Excel spreadsheets and Gradleaders (online Career Services portal) and/or other software/systems used by Academic and Career Advising
- Typing emails and correspondence
- Assisting visitors with logging in to Career Services resources, such as Gradleaders, Perfect Interview, signing up for future appointments/workshops
- Participate in workshops provided by Career Advisors to better field questions from students.

**Job Qualifications:**

- Warm personality and exceptional customer service skills.
- Excellent verbal and written communication skills. Proficiency using Microsoft Office and Office 365 tools.
- Eagerness to learn about career services and campus resources. Professional attire.

**Requirements:**

- Resume
