- D. Teams shall consist of a minimum of four players and a maximum of five.
- E. The team scores for the day shall consist of the total of the four lowest players on the team. The team with the lowest four-day total shall be the champion.
- F. In the event of team tie for the championship or for third place, the team tie breaking procedure as outlined in the NCAA Rules of Golf shall be used.
- G. The tournament shall be decided by the last completed round in the event of inclement weather.
- H. Every attempt should be made to complete 72 holes by playing 36 holes in one day or completing the unfinished round the next morning, with the tournament ending on the fourth day.
- I. Players may be penalized for failure to observe the rules of etiquette of golf.
- J. Improper behavior by tournament participants, as determined by the NJCAA Code of Conduct may result in disqualification. Appropriate attire will be required as defined by the host course. This applies for everyone representing a college at all official tournament functions.
- K. At the discretion of the tournament director and the Golf Chairperson/designee, when tournament course conditions permit, the tournament will be conducted as a 72 hole "no cut" tournament. If the tournament format course cannot accommodate a "no cut" format, the following format shall be in effect: After 36 holes, the field will be cut to the top 15 teams and any team within 15 strokes of the leading team, and the top 24 individuals and any player who is within 15 strokes of the individual leader.
- L. In the event of a tie for first place with respect to individual competition, there shall be a sudden death playoff. All other ties in the top eighteen shall be decided by the USGA tie-breaking recommendation: compare last 9 holes on the scorecard, last 6 holes, last 3 holes or last 1 hole. If a tie still exists: The same formula will be applied to the Front Nine.
- M. No team will be permitted to play on the tournament site for two (2) days prior to the first official day of practice.
- N. No players will be permitted back on the tournament course after completing a round except during playoffs. The penalty for breaking this rule is 2 strokes added to the score posted that day by that player. There is no penalty for congregating in the immediate vicinity of the 18th green.
- O. For initial pairings teams will be paired together and most individuals will be paired together. On the second day, the pairings shall remain the same with the tee times reversed. On the third and following days, pairings will be based on team standings and teams paired together according to tournament scores. Individuals who make the cut will be paired on the basis of scores in the tournament and paired between teams of equal score (i.e. the number one players, will be paired together, etc.). Pairings will be made in threesomes for all tournament rounds. The tournament director will decide the tournament format for the first two rounds.
- P. In the event of a missed tee time, USGA rules will be followed.
