Requirements for the PRN0090 Certified Nursing Assistant program:

- Complete the Daytona State College admission process online or at any campus Admissions Office.
- Applicants will need the following TABE Exit Scores: Nursing Assistant - 10th grade level in Reading and Language; 9th grade level in Math prior to starting the course.
- Skills Lab Kit must be purchased from Coursey Enterprises, Inc.
- Applicant must be 18 years old.

Applicants who started high school in the 9th grade in 2003 or after at a Florida Public high school AND graduated from a Florida Public High School are not required to take the TABE placement test. If you have any questions about your exemption status, please contact an academic advisor.

Health/Medical Record
As a student in a health-related education program, prior to the first day of class you are required to have:
1) completed physical examination, 2) verification of a negative tuberculin skin test, 3) a current BLS Card-Health Care Provider, 4) verification of immunizations, please note: you must have proof that you have the required immunities via a titer (blood test) or a booster injection. Please make your healthcare provider aware as stated on the physical form; and 5) Level II background check and drug screening prior to going into clinical. Flu Vaccine is mandatory for Fall and Spring courses. Please attach a copy of your immunization record to the health history form. If you do not have this record you may contact your physician, clinic, or public health dept. to have a titer completed. The Hepatitis B vaccine is required and may be obtained from your physician or the Volusia County Health Department for approximately $150.

Criminal Background Checks and Drug Screening
Your admission to the Certified Nursing Assistant program is contingent upon the satisfactory completion of both a drug screening and a background check consisting of a fingerprint check of state and federal criminal history information conducted through the Florida Department of Law Enforcement (FDLE) and Federal Bureau of Investigation (FBI), at an approximate cost of $120. For acceptance and continuing enrollment in a health related program, the student must not have been found guilty, regardless of adjudication, of any offense that would disqualify the student from employment in a health care or community health setting.

Paper work must be submitted prior to going into the clinical setting. If not, the student will not be allowed to go to clinical. It would benefit the student to have all paperwork completed and submitted by the first day of class to avoid obtaining absences.

Sincerely,

Dr. Linda Miles
Chair
School of Nursing

Revised 10/4/2017
DAYTONA STATE COLLEGE
SCHOOL OF NURSING

CERTIFIED NURSING ASSISTANT – SPRING 2018 COURSE SCHEDULE

A MANDATORY ORIENTATION will be held **Wednesday, January 3, 2018** at the Daytona Campus, Building 320, Room 234 at 5:30 p.m. only. The session will last approximately two hours.

To obtain more information, call the Nursing Department (386) 506-3250, Admissions Office (386) 506-3059, or Academic Advising Department (386) 506-3661.

*Information and applications for the state exam are obtained from Prometric at [www.prometric.com/NurseAide](http://www.prometric.com/NurseAide) (or call 1-888-277-3500)*

**PROGRAM REQUIREMENTS**

Admission Requirements:

1. Complete an Admission Application to the College (either online or at the Admissions Office on any campus).

2. **BEFORE THE FIRST DAY OF CLASS** a Level II Criminal Background Check including drug screening and fingerprinting MUST be completed as well as a **TB Test, and Physical and CPR-Basic Life Support for the Health Care Provider Course**. The classes for CPR MUST be American Heart Association or American Red Cross affiliated. The American Red Cross card will state Professional Rescuer, and the American Heart Association will state Health Care Provider. All others will **NOT** be accepted.

3. A mandatory orientation is required before beginning the CNA program.

4. All paperwork including Physical form, Immunization copy, Hepatitis B form, and copy of CPR card must be submitted by the first day of class.

**CPR TRAINING:** This training may be obtained through:

- American Red Cross (ARC) - (386) 226-1400
- American Heart Association (AHA) - (800) 242-8721
  
  American Heart Association affiliated:
  - Daytona State College Community Training - (386) 506-3298 or 4490
  - Daytona State College Emergency Medical Services - (386) 506-3249

The only recognized CPR certificates/cards are instructors affiliated with the American Heart Association and/or American Red Cross.
