What is our Summer Bridge program?

First-time college students who meet TRIO eligibility requirements take SLS1122 and a math class for free during the Summer B semester in Daytona.

Free lunches, one-on-one math tutoring, workshops, and automatic admission into TRIO SSS program throughout college.
How Can We Collaborate?

Summer Bridge Program
We accept through mid-June!

Is a first-time college student looking to register this summer or Fall 2017?

In conversation, did the student or his/her parent say college was new to them or they were worried about finances? Is the student Pell-eligible? Did the student disclose he or she had a disability?

Send them our way!
