Name

Department

On a Scale of 1 (least) to 5 (most), what is your comfort level referring a student to our program?

Burning Questions?

TRIO Student Support Services
TRIO Student Support Services

TRIO SSS is one of eight programs under the Department of Education targeted to serve students from disadvantaged backgrounds.

TRIO was given its name after the first three programs (Upward Bound, Talent Search, and Student Support Services) were implemented. It’s not an acronym.

Talent Search and Student Support Services

To increase the college persistence, retention, graduation, and transfer rates of low income, first generation college students and students with disabilities.

Who Do We Serve?

TRIO Student Support Services
Who is eligible?

One of Three

First-generation (neither parent or legal guardian has a bachelor’s degree) OR

Low-income OR

Disabled

Additional Requirements

Must have GED or HS diploma

U.S. Citizen or Permanent Resident

Must NOT already have an AS or AA degree
Why the work we do matters!

Our students oftentimes lack cultural capital and are at a far greater risk of not persisting in nor completing college.

A 2013-2014 ‘Time to Degree Completion’ study of first-generation, low-income students here at DSC found that it took SSS eligible students an alarming 9.76 years to graduate, if at all.

Data provided by the U.S. Department of Education show that six years after beginning at college, students who have participated in TRIO’s Student Support Services program are more than three times as likely to earn a baccalaureate degree within six years compared with their peers who only received a Pell Grant.
Our Program’s 2016-2017 Numbers

- Funded to serve **206** students
- **90%** Persistence Rate (students who enrolled in Fall 2016 who returned in Fall 2017)
- **95%** Good Academic Standing Rate
- **46%** 4-year graduation rate
- **31%** 4-year transfer rate
What services do we provide?

1-on-1 Tutoring in Math, Science, and Foreign Languages

Grant Aid to Pell Grant Recipients
- $650+ a semester up to three times

Advising, financial aid, & transfer support

TRIO Student Support Services

4 Rivers Restaurant and Lion King Musical
Orlando, Florida, February 2018
What is our Summer Bridge program?

First-time college students who meet TRIO eligibility requirements take SLS1122 and a math class for **free** during the Summer B semester in Daytona.

Free lunches, one-on-one math tutoring, workshops, and automatic admission into TRIO SSS program throughout college.
How Can We Collaborate?

Summer Bridge Program
We accept through early-June!

Is a first-time college student looking to register this summer or Fall 2018?

In conversation, did the student or his/her parent say college was new to them or they were worried about finances? Is the student Pell-eligible? Did the student disclose he or she had a disability?

Send them our way!

TRIO Student Support Services
How Can We Collaborate?

General TRIO SSS Program – We accept year round!

Do you ever have a “regular” student who wants lots of one-on-one support and ongoing reassurance?

Does a student ever express fear about taking a math or science or foreign language class?

Send them our way!
How Can We Collaborate?

General TRIO SSS Program – We accept year round!

Does a student have lots of questions about the transfer process?

Send them our way!

Is the student a career changer or in need of a support system?
How Can We Collaborate?

General TRIO SSS Program – We accept year round!

Does a student ever express financial struggles or a need for additional scholarships?

COMING SOON... Did you notice a TRIO SSS service indicator on a student’s portal?

Send them our way!

Daytona State College
Intercollegiate Athletics Recruitment
Our Mission

• The athletic program at DSC is designed to be a vital and integral part of the student’s educational experience. It is expected that through participation in intercollegiate athletics, the student-athlete will develop carry-over values such as a sense of fair play, cooperation, responsibility, self-discipline and leadership.

• The emphasis of the program is on success as a student first, and success as an athlete second.
Recent Student Success
2003-2017
(Athletics)

• 9 National Championship wins
• 13 National Runner-Up finishes
• 20 Conference Championships
• Over 100 NJCAA All-Americans
• Conference, State & National Player of the Year honors
