Everything you need to know about Quanta-Honors College

Admissions criteria
AA students who have ONE of the following:
1. PERT scores of 106 or greater in reading and writing or
2. ACT cumulative score of 19 or greater or
3. SAT cumulative scores of 1300 or
4. High school cumulative grade point average of 3.0 or greater or
5. Cumulative college grade point average of 3.0 and completion of at least nine credit hours.

All students need to fill out the application on the web site and email to Maggie.
Yes, we take dual enrollment students.

Benefits to the student
1. Automatic admission to Stetson Honors College with a special scholarship if student completes the Quanta-Honors program with a GPA of 3.2 or better. Scholarship is worth about $45,000 a year.
2. Special Stetson tracks for pre-law and pre-med students.
3. 10% tuition scholarship on all classes at DSC as long as student has 3.2 or better GPA
4. Buy and I-Pad Mini once (about $240) and get most of your Quanta books free.

Courses – Please register students for the same section in all three courses.
Fall, first year:
ENC 1101 (Gunshanan), sections 101Q, 102Q, 103Q
SLS2505 (Graydon), sections 101Q, 102Q, 103Q
LIT2000 (Karda), sections 101Q, 102Q, 103Q

NOTE: Quanta-Honors students do not need to register for SLS1122; we are substituting SLS2505 for them.

Spring, first year:
ENC1102 (Gunshanan), sections 101Q, 102Q, 103Q
REL2300 (Karda), sections 101Q, 102Q, 103Q
CPO2001 (Orndorff), sections 101Q, 102Q, 103Q

Fall, second year:
ENC2210 (Kester), sections 101Q, 102Q, 103Q
POS2041 (Orndorff), sections 101Q, 102Q, 103Q
STA2023 (Kurtz), sections 101Q, 102Q

NOTE: Please override the time conflict that will come up with respect to STA2023. Override the class cap on STA2023 if you need to accommodate students for section 103Q of the other courses.

Spring, second year:
IDH 2028 (Graydon), section 101Q
