## Form Instructions

**Completing the Form:** On each form, fill out the institution of higher education (IHE or institution) name, the date of the report, the appropriate quarter the report covers (September 30, December 31, March 31, June 30), the total amount of funds awarded by the Department (including reserve funds if awarded), and check the box if the report is a “final report.” In the chart, an institution must specify the amount of expended CARES Act funds for each funding category: Sections 18004(a)(1) Institutional Portion, 18004(a)(2), and 18004(a)(3), if applicable. Section 18004(a)(2) funds includes CFDA 84.425J (Historically Black Colleges and Universities (HBCUs)), 84.425K (Tribally Controlled Colleges and Universities (TCCUs)), 84.425L (Minority Serving Institutions (MSIs)), 84.425M (Strengthening Institutions Program (SIP)); Section 18004(a)(3) funds are for CFDA 84.425N (Fund for the Improvement of Postsecondary Education (FIPSE) Formula Grant). Each category is deliberately broad and may not capture specific grant program requirements. Explanatory footnotes help clarify certain reporting categories. While some items in the chart are blocked out, please note that the blocking of such items is consistent with Department guidance and FAQs and is not definitive. Provide brief explanatory notes for how funds were expended, including the title and brief description of each project or activity in which funds were expended. Do not include personally identifiable information (PII). Calculate the amount of the Section 18004(a)(1) Institutional Portion (referred to as “(a)(1) institutional” in the chart), Section 18004(a)(2) (referred to as “(a)(2)” in the chart), and Section 18004(a)(3) (referred to as “(a)(3)” in the chart) funds in the “Quarterly Expenditures for each Program” row, and the grand total of all three in the “Total of Quarterly Expenditures” row. Round expenditures to the nearest dollar.

**Posting the Form:** This form must be conspicuously posted on the institution’s primary website on the same page the reports of the IHE’s activities as to the emergency financial aid grants to students made with funds from the IHE’s allocation under Section 18004(a)(1) of the CARES Act (Student Aid Portion) are posted. It may be posted in an HTML webpage format or as a link to a PDF. A new separate form must be posted covering each quarterly reporting period (September 30, December 31, March 31, June 30), concluding after either (1) posting the quarterly report ending September 30, 2022 or (2) when an institution has expended and liquidated all (a)(1) Institutional Portion, (a)(2), and (a)(3) funds and checks the “final report” box. IHEs must post this quarterly report form no later than 10 days after the end of each calendar quarter (October 10, January 10, April 10, July 10) apart from the first report, which is due October 30, 2020. For the first report using this form, institutions must provide their cumulative expenditures from the date of their first HEERF award through September 30, 2020. Each quarterly report must be separately maintained on an IHE’s website or in a PDF document linked directly from the IHE’s CARES Act reporting webpage. Reports must be maintained for at least three years after the submission of the final report per 2 CFR § 200.333. Any changes or updates after initial posting must be conspicuously noted after initial posting and the date of the change must be noted in the “Date of Report” line.

**SECTION III: GENERAL**

**A. LIMITATIONS:**

The rates in this Agreement are subject to any statutory or administrative limitations and apply to a given grant, contract or other agreement only to the extent that funds are available. Acceptance of the rates is subject to the following conditions: (1) Only costs incurred by the organization were included in its facilities and administrative cost pools as finally accepted; such costs are legal obligations of the organization and are allowable under the governing cost principles; (2) The same costs that have been treated as facilities and administrative costs are not claimed as direct costs; (3) Similar types of costs have been accorded consistent accounting treatment; and (4) The information provided by the organization which was used to establish the rates is not later found to be materially incomplete or inaccurate by the Federal Government. In such situations the rate(s) would be subject to renegotiation at the discretion of the Federal Government.

**B. ACCOUNTING CHANGES:**

This Agreement is based on the accounting system purported by the organization to be in effect during the Agreement period. Changes to the method of accounting for costs which affect the amount of reimbursement resulting from the use of this Agreement require prior approval of the authorized representative of the cognizant agency. Such changes include, but are not limited to, changes in the charging of a particular type of cost from facilities and administrative to direct. Failure to obtain approval may result in cost disallowances.

**C. FIXED RATES:**

If a fixed rate is in this Agreement, it is based on an estimate of the costs for the period covered by the rate. When the actual costs for this period are determined, an adjustment will be made to a rate of a future year(s) to compensate for the difference between the costs used to establish the fixed rate and actual costs.

**D. USE BY OTHER FEDERAL AGENCIES:**

The rates in this Agreement were approved in accordance with the authority in Title 2 of the Code of Federal Regulations, Part 200 (2 CFR 200), and should be applied to grants, contracts and other agreements covered by 2 CFR 200, subject to any limitations in A above. The organization may provide copies of the Agreement to other Federal Agencies to give them early notification of the Agreement.

**E. OTHER:**

If any Federal contract, grant or other agreement is reimbursing facilities and administrative costs by a means other than the approved rate(s) in this Agreement, the organization should (1) credit such costs to the affected programs, and (2) apply the approved rate(s) to the appropriate base to identify the proper amount of facilities and administrative costs allocable to these programs.
