*Don't Just Survive...Learn to Lead and Train to WIN!*

Two of the most recognized women leaders in law enforcement have teamed up to bring an exciting day of training & inspiration to the police profession. **Sergeants Betsy Smith and Nancy Dowdy** will lead students through 8 hours of intensive, interactive training that will inspire, inform & provide students with information they can use immediately to improve and enhance both their professional and personal lives. This program is the culmination of over 25 years of research & experience brought to you by the veteran trainer who created the original *"Street Survival for Women."* Constantly updated, our philosophy of 'teaching by storytelling' cites inspirational examples of courageous men & women including Sgt. Dowdy's personal story of resiliency and triumph. This class will inspire, motivate and encourage women not just to survive, but to **WIN** in every aspect of life.

*Included in this unique training:*

- The "Not Today" mindset, on every call, on every shift
- Why "survival" is minimalistic and we must train to WIN!
- Reigniting your passion for this profession
- Successfully managing critical incidents physically, mentally and emotionally
- Serving your community and embracing your true leadership ability regardless of career path
- Secrets to *real* fitness for *real* women
- Effective, realistic communication and leadership skills
- Learning to trust and enhance your natural intuition
- How to "lead, mentor, and inspire" others
- Learning to become truly resilient
- Understanding & Utilizing "Gender Intelligence"
- And so much more!
