The Daytona State College District Board of Trustees announces their regularly scheduled monthly meeting.

DATE: Thursday, June 22, 2023

TIME: 1:00 p.m. Board Workshop
2:00 p.m. Board Meeting

PLACE: Daytona State College's Daytona Campus
Wetherell Student Services & Administration Bldg. (Bldg. 100)
Room 402L (Board Room)
1200 W. International Speedway Blvd.
Daytona Beach, Florida

PURPOSE: General business of the Daytona State College District Board of Trustees which will also include second reading of Policy 5.08 – Contracting Authority; annual adjustment of classroom laboratory fees; proposed increase to access and graduation fees; and new application fee.

Daytona State College has not increased standard tuition and fees for 13 years as of fiscal year 2023-24. DSC was the only public college in Florida to reduce tuition by two percent in 2015 and has maintained that reduction ever since. Tuition and fees are expended as authorized in Florida Statutes, including supporting the mission of the college and its operational needs. Other student user fees are reviewed annually and adjusted accordingly based on actual costs of providing the related services.

Classroom laboratory fees are reviewed annually and are adjusted to reflect the actual cost of classroom materials and services. Details by course on the recommended deletions, decreases, increases and new lab fees have been included as an attachment to this meeting notice.

The two proposed fee increases are strictly covering the increase in related costs to provide such services. The application fee being proposed is authorized in F.S. 1009.23(12)(a) and will be used to cover the administrative costs of processing student applications. Proposed fees have been included as an attachment to this meeting notice.
