RE: Summer-Fall 2024 Night Fire Fighter Program

Thank you for your interest in the Summer-Fall 2024 Fire Fighter program. The application deadline date is **Monday, April 29, 2023**.

Please Note – NO MONEY IS DUE WITH THIS APPLICATION. The fee listed on the Application for Fire Fighter Certification Examination form will be paid online a few weeks after the program begins. Financial Aid (PELL Grants/Student Loans through DSC) cannot be used for this program. If there are low application numbers, the program is subject to be cancelled and all applicants will be notified accordingly.

About the Course

The Fire Fighter program consists of two courses totaling 492 hours of training – FFP0030 Firefighter I (FFI – 191 hours) and FFP0031 Firefighter II (FFII – 301 hours). Students will receive a letter grade for each course for completion of the written course materials and contact hours. The practical skills hours are taught throughout FFI and FFII and will not be complete until the final day of FFII. If a student leaves the program before the final day of FFII, they will not receive certification of completion of FFI regardless of having received a letter grade for FFI.

The Summer-Fall 2024 Night Fire Fighter program schedule:

- Dates: June 3 – December 13, 2024 (weather permitting)
- Times: Monday, Tuesday, Thursday 6-10 PM and Saturday 8-5 PM

The class will be held at the Volusia County Fire Rescue Training Center, 3889 Tiger Bay Road, Daytona Beach, Florida 32124

Application Process (Steps 1-10 – forms are attached)

Step 1 – Admissions. If you have not taken classes at Daytona State College before, you will need to complete an Application for Admission (available online at www.DaytonaState.edu/apply) – select Program Code 121700 and complete a New Student Orientation (available in the MyDaytonaState student portal in Falcon Self-Service). Have your official high school transcripts sent to the College's Admissions Department, along with official transcripts from any other college(s) that you have attended.

Questions? Contact the Admissions Office (386) 506-3059.

Call before visiting any DSC Campus - some departments do not accept walk-ins.

Step 2 – AE-CASAS Test. Take the AE-CASAS test at the Assessment Center. The AE-CASAS is a standard vocational program entrance test with two sections: Computation (Mathematics – 229 is score needed) and Communications (Reading and Language Arts – 244 is score needed in one of the two). You are exempt from taking the AE-CASAS if you have one of the following:

- Completed ENC1101 or ENCI102 with "C" or better
- Completed MAT1033, MGF2106, or MGF2107 with "C" or better
- PERT 106, 103, 114
- SAT 24, 25, 24 (within past two years)
- ACT 19, 17, 19 (within past two years)
- GED 2014 to present – 145 in Reasoning through Language Arts and Mathematical Reasoning
- Completed two-year degree or higher
- Graduated from public high school in Florida 2007 to present

Students that do not have one of the exemptions listed above must take the AE-CASAS. A copy of your scores must be submitted with this application.

Questions? Contact the Assessment Center (386) 506-3067.

Step 3 – Application for Firefighter Certification Examination form. Fill out the top portion of the form, skip the Required Attachments section, and sign and date at the bottom of the form. *DO NOT fill in the lines under Required Attachments - this part will be completed by the department secretary.*

Step 4 – Military Service form. Fill out the form. If applicable, include a copy of your DD214 (Member 4 copy).

Step 5 – Information Release and Tobacco Affidavit forms. These forms must be completed and signed in front of a notary public in the state of Florida. The DSC Fire Science Department secretary is a notary.

Step 6 – Student Information form. Fill out the form and sign and date at the bottom. If you have had a legal name change, attach the documentation to your completed application.

If you have ever been arrested (juvenile or adult), please check the appropriate line(s) and write a short narrative for each arrest including date, location, offense, and outcome. Include a copy of each police report and each final disposition from the Circuit Clerk's Office in the county the offense occurred with your completed application.

Please note: If you have juvenile/adult arrest history and do not disclose it, but the background check shows otherwise, you may be removed from the program.

Step 7 – Standard high school diploma or GED or unofficial high school transcripts. Include a copy with your completed application. If you have taken classes at DSC before, skip Step 6 and the department secretary will print a copy from your DSC document imaging file.

Step 8 – Driver's License. Include a copy with your completed application.

Step 9 – Medical Examination to Determine Fitness for Firefighter Training. This is the form for your physical examination. Physical examination forms from other programs/employing agencies cannot be used for the Fire Fighter program.

Step 10 – Fingerprinting. Follow the directions on the form - fingerprints from other programs/employing agencies cannot be used for the Fire Fighter program. Submit the Candidate Fingerprint Receipt you receive at your appointment. The appointment confirmation page is not accepted – only the Candidate Fingerprint Receipt. Students must meet criteria listed in Florida Administrative Code 633.412.

633.412 Firefighters; qualifications for certification. A person applying for certification as a firefighter must:

1. Be a high school graduate or the equivalent, as the term may be determined by the division, and at least 18 years of age.
2. Not have been convicted of a misdemeanor relating to the certification or to perjury or false statements, or a felony or a crime punishable by imprisonment of 1 year or more under the law of the United States or of any state thereof or under the law of any other country, or dishonorably discharged from any of the Armed Forces of the United States. "Convicted" means a finding of guilt or the acceptance of a plea of guilty or nolo contendere, in any federal or state court or a court in any other country, without regard to whether a judgement of conviction has been entered by the court having jurisdiction of the case.

3. Submit a set of fingerprints to the division with a current processing fee. The fingerprints will be forwarded to the Department of Law Enforcement for state processing and forwarded by the Department of Law Enforcement to the Federal Bureau of Investigation for national processing.
4. Have a good moral character as determined by investigation under procedure established by the division.

Step 11 – American Heart Association (AHA) Basic Life Support (BLS) for the Healthcare Provider. DSC Fire Fighter students must have a current AHA BLS for the Healthcare Provider card for the entire length of their program. A copy of the card must be submitted with your completed application.

The following documents are to be submitted as your application:

- **AE-CASAS** copy of scores (if applicable – see Step 2)
- **Application for Firefighter Certification Examination** form (see Step 3)
- **Military Service** form (if applicable – see Step 4)
- **Information Release and Tobacco Affidavit** forms (see Step 5)
- **Student Information** form (see Step 6)
- **Standard high school diploma or GED or unofficial high school transcripts**
- **Driver's License** (see Step 8)
- **Medical Examination to Determine Fitness for Firefighter Training** form (see Step 9)
- **Fingerprinting** (see Step 10)
- **AHA BLS for the Healthcare Provider** (see Step 11)

Completed applications can be submitted to the DSC Fire Science Department office between the hours of 10 a.m. and 5 p.m., Monday through Friday – Room 124C. The campus address is:

Daytona State College, ATC Campus
1770 N. Technology Boulevard
Daytona Beach, FL 32117

*******PLEASE NOTE - only COMPLETED applications will be accepted.**

Students who are chosen to attend the Summer-Fall 2024 Night Fire Fighter program will be notified by email a few days after the application deadline date. The email will include the rest of the steps that must be completed before the program begins. If you have any questions regarding this application packet, please contact Teresa Campbell at Teresa.Campbell@DaytonaState.edu or at (386) 506-4203.

Please note: FINANCIAL AID (PELL GRANTS OR STUDENT LOANS THROUGH DSC) IS NOT AVAILABLE FOR THIS PROGRAM. USING A PROGRAM CODE OTHER THAN 121700 WILL NOT CHANGE THIS POLICY.

Essential Job Tasks and Descriptions from NFPA 1582, 2018 edition

1. Performing firefighting tasks (e.g., hose line operations, extensive crawling, lifting, carrying heavy objects, ventilating roofs or walls using power or hand tools, and forcible entry), rescue operations, and other emergency response actions under stressful conditions while wearing personal protective ensembles and self-contained breathing apparatus (SCBA), including working in extremely hot or cold environments for prolonged time periods. (5.1.1.1)
2. Wearing an SCBA, which includes a demand valve–type positive-pressure face piece or HEPA filter masks, which requires the ability to tolerate increased respiratory workloads. (5.1.1.2)
3. Exposure to toxic fumes, irritants, particulates, biological (infectious) and nonbiological hazards, and/or heated gases, despite the use of personal protective ensembles and SCBA. (5.1.1.3)
4. Climbing six or more flights of stairs while wearing fire protective ensemble weighing at least 50 lbs. or more and carrying equipment/tools weighing an additional 20 to 40 lbs. (5.1.1.4)
5. Wearing fire protective ensemble that is encapsulating and insulated and SCBA, which will result in significant fluid loss that frequently progresses to clinical dehydration and can elevate core temperature to levels exceeding 102.2°F (39°C). (5.1.1.5)
6. Wearing personal protective ensemble and SCBA, searching, finding, and rescue-dragging or carrying victims ranging from newborns up to adults weighing over 200 lbs. to safety despite hazardous conditions and low visibility. (5.1.1.6)
7. Wearing personal protective ensemble and SCBA, advancing water-filled 2 ½ diameter hose lines from fire apparatus to occupancy [approximately 150 ft.], which can involve negotiating multiple flights of stairs, ladders, and other obstacles. (5.1.1.7)
8. Wearing personal protective ensemble and SCBA, climbing ladders, operating from heights, walking, or crawling in the dark along narrow and uneven surfaces, and operating in proximity to electrical power lines and/or other hazards. (5.1.1.8)
9. Unpredictable emergency requirements for prolonged periods of extreme physical exertion without benefit of warm-up, scheduled rest periods, meals, access to medication(s), or hydration. (5.1.1.9)
10. Operating fire apparatus or other vehicles in an emergency mode with emergency lights and sirens. (5.1.1.10)
11. Performing critical, time-sensitive, and complex problem solving during physical exertion in stressful, hazardous environments, including hot, dark, tightly enclosed spaces, that is further aggravated by fatigue, flashing lights, sirens, and other distractions. (5.1.1.11)
12. Ability to give and comprehend verbal orders while wearing personal protective ensembles and SCBA under conditions of high background noise, poor visibility, and drenching from hose lines and/or fixed protection systems (sprinklers), hear alarm signals, and hear and locate the source of calls for assistance from victims or other firefighters. (5.1.1.12)
13. Functioning as an integral component of a team, where sudden incapacitation of a member can result in mission failure or in risk of injury or death to civilians or other team members. (5.1.1.13)
